Obama's gun call response to Mr Nobody

THE man identified as the Sandy Hook School killer was a nerdy "Mr Nobody" who made no impression on anyone …until he turned spree slayer.

The news comes as President Obama urged "meaningful action" against gun crime in the U.S. after a school shooting left 27 dead, including 20 children.

The suspected killer, widely identified as 20-year-old Adam Lanza, is among the dead. Before going to the school he had also killed his mother at their home.

But former classmates of Lanza remember nothing about him, talking of a boy who dressed smartly and worked hard, but who barely said a word.

Lanza appears to have shunned the limelight – there was no photograph of him in his school yearbook of 2010, just the entry "camera shy".

Lanza lived with his mother in a well-to-do neighbourhood of the shocked town where she was a teacher.

In a televised speech Mr Obama said: "We're going to have to come together and take meaningful action to prevent more tragedies like this."

QE POO! Second liner hit by tummy bug

A SECOND cruise liner hit by the norovirus vomiting illness has arrived back in the UK.

The Azura docked in Southampton yesterday morning and was leaving later for a 12-night Christmas cruise to the Canaries.

P&O Cruises said: "There has been an incidence of a mild gastro-intestinal illness among the passengers on Azura.

"This illness is suspected to be norovirus, which is contagious and typically transmitted from person to person.

Virus

"Norovirus is common throughout the UK, Europe and North America and has affected a number of schools, hospitals, nursing homes and children's day care centres."

The ship had been on an 11-night Iberia cruise. There were 3,059 passengers on board, and the number with active symptoms was 10.

Another P&O liner, the Oriana, was dubbed "a plague ship" after it was struck by the virus. That ship returned to Southampton on Friday from a 10-day Baltic cruise. Scores of passengers were laid low by the virus.

During the cruise, passenger Paul Gilman, 62, told the *Daily Mail*: "People were falling like flies, yet the crew were trying to insist everything was fine.

"Everyone is saying, 'this is a plague ship'. It's a living nightmare."

Gutbucket stole £31k from disabled victim – for chinese takeaway meals

PUT AWAY: Lardy thief Kiff was banged up for nicking a vulnerable woman's cash

A MENTAL health carer who stole more than £31,000 pounds from a vulnerable woman with the mental age of a five-year-old has been jailed.

By LUCY CROSSLEY
news@sundaysport.co.uk

Over the course of four years Denise Kiff swindled cash from Maureen Baker, who she was supposed to be looking after.

Kiff, who worked for mental health charity Mencap, used Miss Baker's debit card to withdraw money as well as to buy Chinese takeaways and clothes, and even took out a bank loan in Miss Baker's name.

Oxford Crown Court was told she scammed a total of £31,217.71 from Miss Baker, who was aged in her 60s, but had the mental function of a child and lived in sheltered accommodation. The sum included the £5,000 loan, which the court heard Santander Bank was still insisting that Miss Baker pay back.

Kiff had admitted 19 counts of fraud last month and was jailed for 16 months after Judge Ian Pringle told her that she had breached Miss Baker's trust.

The prosecutor told the court that Kiff, 40, had worked as Miss Baker's sole support worker for many years and had been employed by Mencap since 1998 when the charity took over the company she worked for.

Kiff had been using Miss Baker's debit cards from as far back as 2007, until March 2011 when she ceased working with her after taking leave, and later sick leave.

The fraud came to light when her stand in noticed Miss Baker's bank account was overdrawn by £150 and Miss Baker had not known why.

Kiff's defence said that she had taken the money because she was in financial difficulty.

The court was told that Kiff, of Banbury, Oxon, was suffering from a spinal condition, diabetes, asthma and mental health problems.

The judge sentenced her to 16 months in jail, after he reduced the length because of her early guilty plea and her medical conditions.

Dead nurse leaves 'unfillable void'

THE family of the nurse found dead after being duped by a prank call from two Australian radio DJs described the "unfillable void" left in their lives as a mass was held for her at Westminster Cathedral.

Mother-of-two Jacintha Saldanha, 46, was found hanging in her nurses' quarters at London's King Edward VII's Hospital by a colleague and a security guard on December 7.

The nurse transferred the DJs, believing they were the Queen and Prince of Wales, to a colleague who described in detail the condition of the Duchess of Cambridge during her hospital stay for severe pregnancy sickness.

The mass was held "for the repose of the soul of Jacintha and her grieving family", a spokesman for the Cathedral said.

Following the service, Ms Saldanha's husband paid an emotional tribute to a "kind-hearted, generous and well-respected woman".

GOOD on Richard Branson for backing his firm and putting his money where his mouth is.

'Pulling off pants' made Gwyn sexier

OSCAR winner Gwyneth Paltrow says her sex life has got better after her personal trainer "pulled my pants off!"

The actress, married to Coldplay's Chris Martin, teamed up with Tracy Anderson after the birth of her son Moses.

And the celeb fitness guru's regime put the spark back into her bedroom.

Gwyneth (*above*), 40, revealed: "It did such wonders for my life, my sex life, my confidence and everything."

Tracy said: "When you feel your best, you're more confident in bed.

"It's not lights-out, under-the-covers sex. It's more like, 'Take a look at this!'"

Gwyneth said she "felt stuck" and "couldn't shift the weight" after Moses was born.

"But I met Tracy and she was this force from the second I met her. She pulled my pants off.

"I'll never forget it. She was like, 'Oh, my God, wow, I just am so surprised, because you look so good in clothes. I wasn't expecting this'."

Leona's 'any cock will do' confession!

ENTHUSIASTIC pop babe Leona Lewis says she's happy to tackle ANY todger that comes her way!

The winner of 2006's *X Factor* says it doesn't matter how small a man's willy is, it's all about how you handle it.

The 27-year-old *Lovebird* singer said: "I don't think size matters.

"I think it's all about what you do with it.

"Do you know what I mean?"

Despite her cock confession, Leona says she won't be posing NUDE any time soon.

The spoilsport revealed: "Personally, I think some people go too far.

"I don't really like to see people dancing around a pole or gyrating on a guy every time I go to a concert.

"It's too embarrassing.

"No weird sex books for me either."

Nelson is OK after having gallstones op

NELSON Mandela has undergone successful surgery to remove gallstones.

The South African president's office said the 94-year-old had the op yesterday but that doctors wanted to treat a recurrent lung infection before putting him under the knife.

A statement read: "The procedure was successful and Madiba is recovering."

The referrence to "Madiba", which is Mr Mandela's clan name, is a sign of affection.

Mr Mandela is revered for being a leader of the struggle against racist white rule in South Africa.

He spent 27 years in prison on Robben Island for sabotage and other charges.

After his release he served one five-year term as president before retiring.

He has been in hospital since last weekend.

The Swedish beauty, who makes her *Downton* debut on Christmas Day as new housemaid Edna, explained: "My family find it weird watching my love scenes.

"They call me saying, 'We don't think you should do those any more'.

X FACTOR STAR DATES MEGA-BUSTY GLAMOUR BABE

JAMES & THE GIANT BOOBS

WHAT A GEM: Lucky James is clearly delighted to meet Gemma

PAIR-FECT: James will have his hands full with the busty babe

By NEIL GOODWIN neil@sundaysport.co.uk

JAMMY pop hunk James Arthur is enjoying a taste of the XXX-Factor – after seducing a top British PORN star.

The *X Factor* winner James is set to top the UK charts today after his debut single *Impossible* sold by the boatload last week.

And crooner James, 24, has more than one reason to celebrate – after using Twitter to snare busty 32E Gemma Massey.

Sultry Gemma, 28, has just called time on her career in adult movies, but has starred in a string of see-it-going-in bongo flicks.

She even had a brief stint working with top producers in Los Angeles, starring in jaw-dropping shagging fests like *Katwoman XXX* and *Only Fools and Arses*.

And after Gemma, from Tamworth, Staffs, met James at an *X Factor* party in Manchester the pair have continued their fling using Twitter.

James, from Saltburn, near Middlesbrough, requested to follow the brunette beauty – who has quit the world of willies and spunk for life as a humble nurse.

Our source close to the pin-up, who once dated *The Only Way Is Essex's* Kirk Norcross, said: "Gemma had a crush a James the moment he first appeared on TV screens."

James has made no secret of the fact he is going to enjoy his 15 minutes of fame.

And he's in safe hands with Gemma, who has boasted about her love of taboo nookie. She recently told *Sunday Sport:* "There's nothing I won't do in the bedroom."

Man pleasured himself as he watched pair having it off

A PEEPING Tom spied on a couple having sex while muttering "I'm watching you" outside their bedroom window.

Brian Symons, 45, admitted peering in the back bedroom while the husband and wife enjoyed intercourse.

He said he'd spotted the elderly couple while out on a walk in the middle of the night and decided to "go back for a closer look".

He admitted uttering the words while in a state of sexual excitement.

But Symons' moans alerted the couple who immediately stopped what they were doing to investigate.

They got up and saw Symons scampering away down the drive, but he was in such a rush to leave that he dropped his cigarette lighter and left DNA at the scene in Torquay, Devon, allowing police to trace him.

Symons, formerly of Torquay but now living in Bristol, admitted one count of observing a person doing a private act for the purpose of sexual gratification when he appeared before Torbay JPs.

The court was told the defendant had seven previous convictions, the last similar one in 1988.

The case was adjourned for pre-sentence reports.

Arsonist used his flaming Y-fronts

AN arsonist was jailed after torching his flat – by setting his PANTS on fire.

John Owen, 42, set his white Y-fronts alight and threw the burning underwear onto his bed.

A court heard the blaze spread through his apartment, threatening the lives of neighbours who heard an alarm, saw smoke coming from the defendent's flat and called the fire brigade."

Fire fighters put out the blaze before it spread to other flats at Pwllheli in Gwynedd, North Wales.

Owen admitted arson while being reckless as to whether life was endangered and was jailed for 28 months.

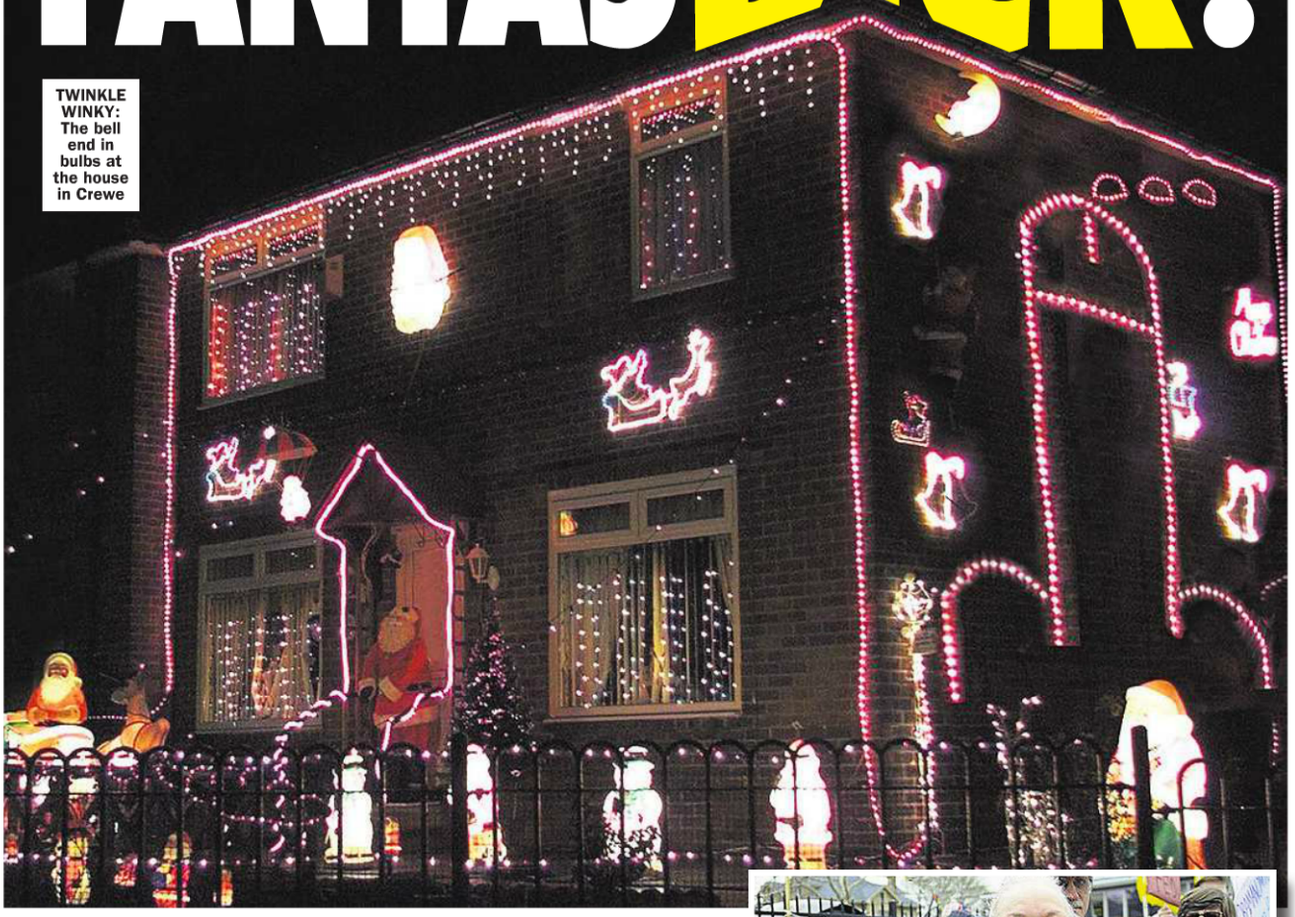
THE LIGHT FANTASDICK!

Neighbours fume at cock 'n' balls lights



TWINKLE WINKY: The bell end in bulbs at the house in Crewe

WHILE ever-so-slightly common, bedecking one's house in Christmas lights can be quite eye-catching.

But the decorations on one detached residence have attracted attention for all the WRONG REASONS.

For while the front of 56 Dunbar Close in unlovely Crewe, Cheshire, is a riot of snowmen and Santa sleighs, the west elevation sports a TWENTY FOOT COCK 'N' BALLS! And, worst of all, the fluorescent phallus is spurting 500 watts of SPUNK out of an incandescent JAP'S EYE!

By SIMON DEAN
simon@sundaysport.co.uk

Needless to say, the other residents of Dunbar Close are less than happy.

One neighbour – Gladys Nicholson, 56 – is leading the protests. Carrying a misspelt card bemoaning "flashing willys", the great-grandmother of 10 rasped: "It's not on. The council should do summat. This dirty c***'s lowering tone of f***ing street."

The name of the culprit at number 56 is unknown to neighbours.

Like psychopaths down the ages, he is known to "keep himself to himself".

When *Sunday Sport* knocked on the door, we were hit with a barrage of abuse and spittle emerging from the letterbox.

At one point, the mystery resident yelled: "Go away! Stop invading my privacy! I shall call Lord Leveson!"

As advised, we made our excuses and left.

NERD'S FACEBOOK PARTY FLOP

Hundreds fail to turn up at Kevin's bash

A GEEK who thought he could get thousands of friends by advertising a house party on Facebook is in despair after NOBODY turned up!

Misfit Kevin Cooper, 15, thought swarms of uninvited guests would come to the bash and cause mayhem at the home where he lives with his divorced mum Linda, 36.

He'd hoped that among those descending on his house in Comberbach, Cheshire, he could at least find one who would deign to be his chum.

But despite the open invite being posted on the internet SIX WEEKS AGO, not one person arrived to smash the furniture, steal ornaments or defecate in fish tanks.

Linda, who had been out "visiting a gentleman" last Friday night, said: "I came home to find the house just as I had left it. Poor Kevin was in tears and refuses to speak."

Earlier this month, more than 800 people caused havoc and untold damage when they turned up to a teenager's party in Billericay, Essex.

Anyway, you keep guessing – I'll carry on doing what got me feeling this way!"

Shining fan's 'slasher' film to terrify girl

A HORROR film fan was locked up after making a bloodthirsty movie to terrify a girlfriend who had ended their romance.

Cinema worker Daniel Coleman used music from scary movie *The Shining* with snaps of the girl and her pals being hacked with an axe with blood spurting from their wounds.

In another clip their faces were circled in red with the message "dead whore", and one used the phrase "ugly bitch", as well as a still of actor Jack Nicholson from the film.

Coleman bombarded the 22-year-old with Facebook messages calling himself Theodore Cowell, the real name of U.S. serial killer Ted Bundy.

He also threw a brick at her home with a note attached to it saying "We'll slaughter you all like pigs".

Coleman, 28, of Chaddesden near Derby, admitted harassment at Derby Crown Court.

The Recorder gave him four years and six months' jail.

CHERYL KINKY PHONE PICS RIDDLE

POP star Cheryl Cole has sparked a saucy SEX PHOTO riddle after hinting she has KINKY pictures on her mobile phone.

By ISOBEL DICKINSON
izzy@sundaysport.co.uk

The singer is back in demand after reuniting with former band Girls Aloud to release new single *Something New*.

And Geordie Cheryl's phone is also hot property, after she admitted that it contains things that "shouldn't be there".

The former *X Factor* judge, 29, revealed: "Yes, there are things on my mobile phone that make me worry about having it nicked.

"Things that shouldn't be on there!"

The shy brunette also makes sure her device has a special LOCK to stop her intimate secrets being leaked to the public.

She added: "But I have a special code on there – you'd be very lucky to get in!"

One showbiz expert said Cheryl's confession could lead to a "Holy Grail" type search.

Salivating

Our industry source said: "The existence of something rather fruity on Cheryl's phone is enough to get grown men salivating all over the world.

"If there were any X-rated photos, they'd spread like wildfire on the internet in seconds.

"They'd be the Holy Grail of leaked photos.

"Here's hoping that Cheryl suddenly gets fat fingers and accidentally uploads the lot!"

It's not the first time the ex-wife of Chelsea FC footballer Ashley Cole has hinted at an exhibitionist streak.

She once said: "I like nothing more than to walk by the window in my underwear — it keeps the curtains twitching."

COWELL'S NEW BABE TOPLESS

BLOOD-Y GOOD: Simon's new stunna airs her fair pair as a vampire in *True Blood*

AS if having millions in the bank wasn't enough, jammy pop mogul Simon Cowell has now bagged himself yet another fit girlfriend!

The *X Factor* creator was spotted enjoying a ride with actress Janina Gavankar in Los Angeles last week.

And it's not hard to see why Cowell, 53, would take an interest in the 32-year-old thesp!

Hottie

The stunning brunette, a 34B, recently stripped off for FX's saucy vampire drama *True Blood*, in which she played shape-shifting bloodsucker Luna.

The minx, from Illinois, is also a former girl band crooner, a trained pianist, an orchestral percussionist, and has just released a new EP called *Waiting for Godot*.

She's also extremely fit!

Asian hottie Janina isn't the first babe to fall into Cowell's manicured clutches.

He's previously enjoyed flings with make-up artist Mezhgan Hussainy, 53, *So Macho* singer Sinitta, 44, and former *X Factor* judge Dannii Minogue, 41.

Victoria's not booked up by Fifty Shades

SEXY Victoria Coren has poured cold water over the *Fifty Shades of Grey* phenomenon – and says real women don't want sex as performed by the bestseller's hero.

Victoria, 39, who recently married lucky bastard *Peep Show* star David Mitchell, 38, claims that the antics of Christian Grey are more like those of a sex ODDBALL.

In her *GQ magazine* column, gorgeous *Only Connect* star Vicky writes: "It turns out Christian is actually running the bath for her. That sounds nice, doesn't it?

"Women love that sort of thing! As sex ends, you hurry off to run her a nice hot bath, pouring in the flowery unguents and foams you've bought specially! Isn't that caring and considerate?

"No. It's the sort of thing a serial killer would do."

And busty Victoria also rages against men trying to look "sexy", warning that blokes trying some of Grey's antics would "look constipated."

Kerry, 27 – now dubbed The Girl With The Dragons Tattoo by her pals – decided to go under the needle for charity.

The drama student, from Skelmersdale, Lancs, forked out £220 for the original piece of skin art, which was performed by a local tattooist.

But she hopes to recoup that sum – and more – in order to raise money for the Help For Heroes charity for injured servicemen and women.

And Kerry says she's happy with her permanent tribute to BBC2 stars Duncan Bannatyne, Hilary Devey, Theo Paphitis, Deborah Meaden and Peter Jones once she's raised enough cash.

Perky

Kerry laughed: "I've always been very proud of my boobs – I've been getting told for years how pert they are and how they stand up, all perky.

"I've always wanted a tattoo, which is how all this came about.

"I was in the pub with some mates and I was talking about getting one done while I'm sat there wearing a low cut top.

"The telly was on in the corner, showing *Dragons' Den*.

"One of my pals, Will, suggested a play on the name of the film *The Girl With The Dragon Tattoo* – which I also love – and the next day I went and had it done!

"Once I've covered what I paid for the tattoo, the rest goes to Help For Heroes. I hope it's thousands."

GAZZA

The signing they ALL wanted

F*ING hell. I had a one hour forty minute f***ing operation with morphine this week.**

I'm having dental implants so I'll look handsome as f*.**

Simon Cowell has got no chance – he won't even get a look in!

It's costing me £35,000 and I've got two more sessions to go!

Balls to Bieber – I was offered £10k a tug!

I READ that some mad kidnappers who wanted to abduct the pop star Justin Bieber were offering £1,500 for each one of his bollocks!

The first thing I thought when I saw that was, "F***ing hell, THAT'S CHEAP!"

On my mum and dad's life, I was once offered £10,000-a-shag to deliver sperm to women, back in 1990.

Ask my mum, ask my dad, ask my sisters – I'll even show you the letters!

I got written offers of a f***ing fortune to have a w*nk! We could have had a Gazza stud farm!

I should have done it as well – but I'd have ended up being called a proper w*nker!

My mum and the rest of my family look after my fan mail, you see, and they said to me, after the World Cup, 'Paul, you need to get down to the sperm bank'.

When I asked, 'why?' they said, 'loads of women want your sperm. They're willing to pay five to 10 grand for it!'

And I said, 'what? They want a little Gazza? He'll be banged up and a f***ing alcoholic!'

But honestly, yes, I was offered £10k for a toss of sperm.

That was the same year I won Sports Personality of the Year – I was offered EVERYTHING that year.

I got offered the Brut deal that I told you about last week – that I f***ed up! And I got voted Best Dressed Man too.

I've still got nine wardrobes full of stuff. I reckon I've got a million pounds worth of jewellery locked away – if only I could find the key!

The day Arsene saved my life

WHAT the hell is going on at Arsenal – and why are people having a go at Arsene Wenger?

For starters – please, please, give Wenger some money to spend.

That's what he needs.

If there's any manager out there I would want to emulate, it's him.

He's one of the best footie bosses I've ever come across.

Arsene is the only one – along with Arsenal Football Club and Arsenal staff – who have saved my life, THREE TIMES.

I went to Arsenal FC once and I collapsed. I was dying and they helped me.

And I went again when I'd hurt my hip, and AFC helped us.

Brilliant

It was (ex Arsenal doctor) Ian Beaseley, (ex-Arsenal physio) Gary Lewin and Arsene Wenger. They saved my life – honestly.

It's not normal that a former Spurs player would say this, but, every time I get ill Arsene Wenger is the first man who'll look after me. He's the most brilliant manager in the world.

Sir Alex Ferguson, he'll look after me. Jose Mourinho would look after me. Any manager would look after me – but the first manager there, right on the button, within just five minutes, is Arsene Wenger.

It all started because I was in the England squad and I said to Gary Lewin, who was with us, that I was struggling with flu.

He said Arsene wanted to see me and took me to AFC where they both said, 'you're going to die'.

I said: "No I'm not." But they were adamant.

So AFC put me in private Princess Grace Hospital in London and saved my life.

I had pneumonia – with three days to live. They put me in oxygen tanks and Arsene paid a f***ing fortune for everything.

Wiggins will p*ss personality title

BACK in 1990, when I won the BBC SPOTY, I pissed it!

Now Gary Lineker has voted me one of the best sports personality winners ever on *The One Show*, and that's because I deserve it.

My dad's still got the trophy in his cabinet.

It was really nice of Gary to say the best sports personality in the world was given to Gazza – because who the f*** in the world these days has got a personality, bar me?

I was so pleased he said that.

For me, the person who SHOULD win the SPOTY is the Paralympic swimmer Ahmed Kelly, who was born in Iraq and swam for Australians – he was the guy who had no arms or legs.

F***ing hell – he was amazing, honestly.

Seeing as the winner has to be a Brit, though, for me it can only be Bradley Wiggins.

For starters, it has to be someone different from a footballer or cricketer.

And I've seen these cyclists, the way they train. When it's pissing down with rain, they sit in the living room in their house and pedal for eight hours.

Eight f***ing hours! They're mad – but brilliant.

So I'd love him to win it.

It's something totally different to celebrate.

And as long as he keeps a smile on his face like I did, he'll piss it.

Don't go changing

I'M proud of James Arthur winning *X Factor* – he's a brilliant singer and I knew from about six shows back that he'd win.

It's because it all comes from his heart.

I'd like to say from Gazza to James, I've been famous, I am still famous, but I'm not making money as much as I can.

So make as much as you can, but not only that – keep on being the person you are.

If you change, you lose everything.

It doesn't really matter how famous you become, still be the same.

Look at the likes of Chris Evans, Rod Stewart, Phil Collins, me, Danny Baker, we've all stayed the same.

Sir Alex Ferguson too – we've all stayed the same.

And a message from Leslie Phillips, from the *Carry On* films: "The more you stay quiet, the more you become famous." So say less, make more!

High times for Clegg

DEPUTY Prime Minister Nick Clegg wants us to take another look at our attitude to drugs.

In Holland, all the footballers are allowed to smoke cannabis after the match.

There's nothing wrong with cannabis as it's not a performance enhancing drug. If you took cannabis BEFORE a game, you're going to be f***ed!

I reckon it would be better for players to relax after a game by having a joint, instead of reaching for a bottle of whisky or loads of beer.

But then they would get the munchies and eat 25 packets of crisps – like I did once!

Me and Chris Evans were playing golf when this guy came along and asked me how I was. I said I wasn't feeling too good so he said, 'here, try this' and passed me a spliff.

I had a smoke of it – it was my first time – and I fell to the ground.

I said to Chris: "Chris, I'm starving hungry, I'm f***ed!" He was laughing his head off.

So that was what I did. Ran to the shop, bought 22 packets of crisps and bread rolls and made 12 sandwiches.

I woke up later, high as a kite, and thought, 'f*** me, what was that?" and then I spewed it all back up! Never again!

The adult babies too weird for Channel 4

NAPPY EVER DAFTER

By JUSTIN DUNN
justin@sundaysport.co.uk

A CHANNEL 4 documentary about adults who dress up as tots was considered too "mainstream" for some British man baby fetishists.

Millions tuned in to *The 15 Stone Babies* on Thursday to see giant nappy wearers explain what makes them tick.

The fly-on-the-wall programme showed fully-grown men and women indulging an alter ego that lets them have nappies changed, dress in a babygro and be nursed like an infant.

The film explored the motivations behind the adult babies' actions – as well as meeting the "mummies and daddies" who tend to their needs.

"Derek" *(above right)* was seen on the show explaining: "As soon as you mention 'adult baby' they think it's something to do with children.

"We don't want to be with children. We want to be the child."

But some "extreme" baby fetishists have argued that the show wasn't groundbreaking enough.

Big baby Jason Wilkie *(left)*, 41, from Romford, Essex, is so addicted to his fetish he's shaved off ALL his body hair.

Engineer Jason said: "Anyone can curl up in an adult-sized babygro and suck their thumb – I prefer the full experience.

"I like to shit and piss myself all the time so mummy or daddy change my nappy, with talcum powder and everything."

Fellow extreme baby Chris Baker, 27 *(below)*, an unemployed kitchen fitter from Penzance, added: "Waaaaaaaaaa!"

POO MUST BE JOKING! Jason likes to mess himself as part of his festish

Tyson denies he's now an Iron Michelle

BOXER Mike Tyson has been forced to deny he's had a sex change after a spoof cock-chop tale went viral.

The joke story on the UK-based website *Newsbiscuit* was picked up and reported as true by several news outlets.

The former world heavyweight champion *(above)* has issued a statement denying the false claims.

On *SpyGhana* Tyson, 46, was quoted as saying: "I am still a man and I have always been fully in touch with my masculinity and have no intention of becoming a woman. "

The *NewsBiscuit* story, "Mike Tyson sex change operation a 'complete success', say surgeons", was put out in late November but began to spread like wildfire after *The Standard* in Zimbabwe and *SpyGhana* both reported it as fact last week.

One of the quotes attributed to Tyson reads: "Some people might think it strange that I'm now a woman. But I never lost touch with my feminine side and knew that one day I would grow breasts and have a vagina."

CAPTION CONTEST IS ON PAGE 35, FOLKS!

BUT I WAS ONLY MILKING THE DONKEY...

Ass cheese fiasco man lands in court

A BRIT has been hauled before court after trying to cash in on an Eastern European trend for DONKEY CHEESE.

Richard Magee was fired from his farmhand job after he was found drunkenly w*nking off an ass called Dobbin.

His horrified boss on a farm in Wiltshire, which cannot be identified for legal reasons, locked him in Dobbin's stable until police arrived.

Magee, 42, claimed he was only copying the craze in Serbia where donkeys on one farm are being milked three times a day to produce "pule" – a new cheese delicacy.

By JUSTIN DUNN
justin@sundaysport.co.uk

World number one tennis player Novak Djokovic *(left)* hit the headlines last week when it was revealed he'd bought ALL of next year's pule output for his Serbian restaurant chain.

And a *Sunday Sport* investigation revealed that the strange white goo mix sells for up to a staggering £400 per lb!

One police officer said of caravan-dweller Magee: "The farmer saw a light on in his stables late one night last week and went to investigate. He found Magee sat on a milking stool 'stimulating' the donkey.

"A bucket had been strategically placed just underneath. He was then arrested and taken into custody where he stayed until he sobered up.

"We've had to explain that pule actually comes from female donkeys, not male ones.

"For want of a better expression, he is now feeling a bit sheepish."

Magee has been released on police bail but is expected to face charges of being drunk and disorderly and a public order offence.

STAR HAD PLAYBOY TWINS ALL NIGHT AND HE DIDN'T TRY IT ON

WHAT A LOVELY PAIR: Carla and Melissa were wooed by hunk Louis at the Mayfair nightclub

SMOKING HOT! Carla showed off her bouncing breasts on screen

By KELLY JENKINS news@sundaysport.co.uk

STUNNING Playboy twins who waltzed into the bedroom of *Strictly Come Dancing* star Louis Smith were left to tango alone, we can reveal.

Gorgeous 22-year-olds Carla and Melissa Howe hit the headlines last week after being snapped spending the night with Olympic gymnast Louis.

The 23-year-old hunk pulled them at London's swanky Mayfair club, took them back to his hotel... but then made them sleep on the SOFA!

And if regretful Louis now thinks he missed a trick, he'll be even more upset with himself after clapping eyes on Carla's scorching hot film past.

The 34E brunette, from Uxbridge, Berks, stripped off for a role in comedy flick *Mac and Devin go to High School*.

In one scene the babe busts out her bountiful boobs before giving co-star Wiz Khalifa the happiest of endings.

Intentions

Carla and sis Melissa, who are regulars at the Playboy Mansion in Los Angeles, have appeared in music videos including one for rapper 50 Cent.

Speaking about her encounter with Louis, Carla said: "We thought his intentions were obvious, but when we got to his room it wasn't what we expected.

"He was only interested in showing us pictures of himself and watching TV."

Louis is not the first famous bloke to catch the siblings' eyes. Melissa had a fling with Ashley Cole in 2011 and the pair were seen with Russell Brand earlier this year.

Groupie's tweet me their fandango fantasies

RED-FACED Louis is being inundated with outrageous SEX proposals online.

The Olympian, who is one of the favourites to win this year's *Strictly Come Dancing*, says lusty groupies have been bombarding him with X-rated messages.

Speaking about his saucy Twitter followers, the silver medallist, 23, said: "I get things like, 'I want to sit on your face', 'you can pommel my horse any day' and 'Strictly Cum Dancing'.

"I just laugh!"

Meanwhile the gymnast, from Peterborough, has compared winning competitions to the feeling you get from a GOOD BONK.

He admitted: "If I could compare the feeling of winning to one other thing, it would be good sex.

"What else did you want me to say?!

"To know that you're the best at what you do after sacrificing so much would just be amazing."

Iron Man Rob's pee in jar habit

IRON Man star Robert Downey Jr doesn't take a toilet break on a film set – he just pees into a JAR, there and then!

The 47-year-old actor then leaves the piss pots around the studio.

His dirty protest was revealed by director David Fincher during an interview with Hollywood star Keanu Reeves in a documentary called *Side by Slide*.

Because Fincher was shooting Downey Jr on digital cameras for the 2007 thriller *Zodiac*, he had fewer breaks than usual.

The Times film critic Kevin Maher said: "The way Fincher tells it, Downey Jr would turn around, face into a corner, fill up a jar with urine and then put on the floor. Nice."

Miranda's sex confusion hell

SOLID comic Miranda Hart is always being mistaken for a MAN!

The 40-year-old (*above*) says her sturdy frame often confuses those who don't recognise her.

The BBC1 funny-woman revealed: "On holiday in Uganda the girl behind the desk called me 'Mr Hart'.

"They see my height and the hair. Usually people don't keep doing it, they look and say 'Oh sorry!' "But she kept on going, 'Mr Hart'!"

"I'D really like a lie-in today, but I can't.
I've really got to get on with the Christmas shopping and I don't want to go when it's really busy – I can't think straight when I'm bumping into people all the time.
Mind you, I don't mind so much when it's a hunky bloke I bump into – and they don't seem to mind bumping into me, I've found!"

Alvin: I would lynch Savile!

GLAM rocker Alvin Stardust says he wanted to "lynch" nonce DJ Jimmy Savile.

The *My Coo-Ca-Choo singer*, real name Bernard Jewry, said he always knew there was "something odd" about the late *Jim'll Fix It* presenter, who has been accused of sexually assaulting hundreds of victims.

The 70-year-old said: "If I'd known that Jimmy Savile was abusing children, I would've personally lynched him.

"I met him a couple of times and I just thought he was really weird – I don't know anyone I've spoken to who now doesn't say, 'Jimmy Savile always looked really weird'.

"A lot of things were going on that we didn't know about. Nobody knew that Gary Glitter was bald!

"It didn't enter people's minds that this was going on."

CORRIE CHIEFS ORDER JIMMY TO...

KEEP AWAY FROM KAT!

Star's boozy hooker ban

KAT FOOD: Jimmi had a dinner date with Kat

By NEIL GOODWIN
neil@sundaysport.co.uk

CORONATION Street star Jimmi Harkishin has been BANNED by soap bosses from dating a busty high-class escort.

Actor Jimmi – aka *Corrie's* Dev Alahan – was spotted romancing buxom brunette Kat Lee in March this year.

The 51-year-old looked as pleased as punch to have 34FF Kat – a star of hardcore blue movies – on his arm as the pair enjoyed a dinner date in Manchester.

Jilted

But now Kat, a £1,250-a-night prostitute based in Salford, has told how Jimmi JILTED her after a dressing-down from ITV1 chiefs.

Sunderland-born Kat – real name Zayna Ellemore – exclusively told *Sunday Sport*: "I really like Jimmi.

"He's a great guy and I loved spending time with him. But we can never be together.

"When Corrie producers found out who I was and what I do for a living they hit the roof.

"Jimmi called me and said, 'I'm really sorry, but I can't see you again. I hope you understand'. It's sad, but the last thing I want to do is get Jimmi into trouble."

You can't blame *Corrie* bigwigs for being shocked.

Outrageous Kat – who has an identical twin sister called Noor – advertises her services as a blowjob specialist who's up for ANYTHING in the sack. She's starred in X-rated movies like *Dungeon Sluts* and *Nympho Nurses*.

Flirty Kat is also a serial FLASHER and has been cautioned by cops several times for stripping in public.

Last week, she bared her boobs outside an *X Factor* party in Manchester. She said: "I usually strip when I've had a few – then nothing stops me!"

KAT THAT GETS THE CREAM: Lee is a porn star and hooker

TOY SHOP TEEN BONKS YOUNG MUMS... IN EXCHANGE FOR FURBYS

LITTLE SHOP OF HORRORS: This beast has been preying on mums desperate to buy the furry toy

A SHIFTY toy seller is exploiting young mums desperate to buy their children a Furby – by asking for SEX in return for the robotic toys.

By SIMON DEAN
simon@sundaysport.co.uk

Vile Anton Dudivik asks the retail price of £49 for the prized items...but suggests a "sweetener" from any pretty MILFS who visit the south London market stall he runs on behalf of a shadowy eastern European gang.

And that sweetener is SEX!

Originally a hit toy in 1998, thanks to a combination of cynical marketing and the general soft-headedness of the British masses, the Furby is once again this year's must-have Christmas gift.

Oblivious to the fact that after around three-and-a-half minutes play, the gurgling robo-knickknacks will be consigned to the back of a cupboard, weak-willed parents are willing to shell out up to £150 for just ONE Furby.

Some shops have even reported parents offering BRIBES to get their hands on one.

And mothers, it would seem, are even willing to sacrifice their virtue for one of the playthings.

Acting on a tip-off, our man dressed in women's clothes and pretended to be a young mother, frantic to get her seven-year-old daughter a coveted purple-and-pink Furby.

Ukraine-born Dudivik at first pretended to have sold out of the toy, until being told by our "mum" that she'd do "anything" for one.

Immediately, his attitude changed and, his lips slavering with Slavic lust, rasped: "We can come to the 'arrangement' in the back.

"You do Anton favour, I do you favour, as we say in Kiev. How much you want the Furby, lady?"

With evidence of the vendor's extortion on tape, our "mum" made "her" excuses and fled.

Later, when confronted with his low-level criminality, Dudivik babbled: "It was old Ukrainian joke...I mean nothing by it."

This Furby fiend will have to hope the judge has a sense of humour, because a dossier of our investigation is in the Christmas post already – on its way to the authorities!

Sunday Sport SAYS...

CHRISTMAS. Once a time when Christians celebrated the birth of our Lord Jesus.

Now Yuletide is nothing more than an orgy of snarling commercialism.

That some women are apparently prepared to sacrifice their virtue in return for a mere toy shows how this holiest of times has become little more than a sordid bacchanal.

The eternal angels who looked down on the glory of the Nativity must weep bitter tears.

Pervert jailed for having sex with bears pics

A MAN kept thousands of images of extreme animal pornography on his computer, including pictures of women having sex with GRIZZLY BEARS and octopuses.

Steven Ryder was found with more than eight days' worth of bestiality videos, after a police operation at his home.

Fiscal depute Trina Sinclair told Dundee Sheriff's Court that Ryder, 45, spent most of his days playing computer games and on adult websites.

She said cops raided his home after a tip-off and seized desktop and laptop computers, hard drives and discs.

On one they found a folder called "zoo" with sub folders including "chimp", "ape", "horse", "dog", "eel", "bear" and "octopus" each holding images of women with animals.

Ryder, of Dundee, pleaded guilty to charges of making indecent photographs and possessing extreme pornography and was jailed for 20 months.

Tourettes carol concert f***-up

A STORM erupted in a tiny village over a carol concert for TOURETTES VICTIMS.

A misunderstanding led locals to fear the festive singalong at St Gervais parish church in Snetteron Chumleigh, Dorset, would be performed by those SUFFERING from the swearing tic.

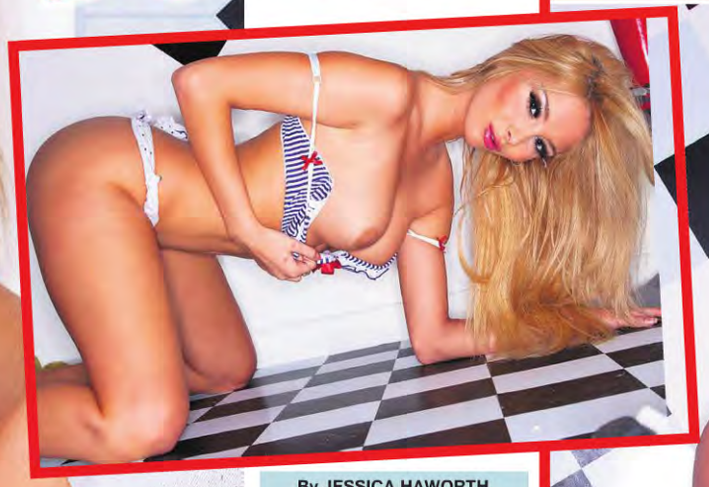
And the idea of the air turning blue inside the 13th century church appalled church elders who protested to the Bishop and raised a petition.

In fact, the concert was to raise funds for research into the sad condition!

Church warden Hilda Fostom, 68, said: "There have been some red faces around the village.

"Some people honestly thought the nave would echo to the sounds of Silent F*, and such."**

At home with Stevie Louise



By JESSICA HAWORTH
jessica@sundaysport.co.uk

A NIGHT out on the tiles isn't exactly what you'd expect with blonde stunna Stevie Louise.

The Aberdeen beauty, 24, says she'd rather stay at home in her UNDIES with the heating on full blast than brave the cold to go clubbing.

Gorgeous 32D Stevie said: "All my outfits are far too skimpy for winter, so I'd rather stay in with a glass of wine.

"I'm a complete exhibitionist so I'm always walking around the house naked. It comes in handy when I've got a cute guy to keep me company though.

"I like to mix it up and do it in every room in my house. I haven't christened the kitchen floor yet – but that's next on my saucy wish list!"

Brothel near Prem League stars' homes

A WOMAN has been convicted of running a "high class" brothel from luxury penthouse flats near the waterside homes of Premier League footballers.

Suzanna Symington (*above*), 29, recruited girls to work at two apartments in the exclusive complex.

She provided them with accommodation, security cameras and a video intercom along with contraceptives and a variety of sex toys.

Southampton Crown Court was told the "very high class set-up" offered a variety of services from escorting to full sex.

Prices at the brothel – known as Elite Devine Honeys – ranged from £80 for "girlfriend experiences" to £2,000 for a full weekend.

Symington, from Southampton, admitted controlling or managing a brothel at the Hampshire city's Ocean Village Marina.

She was sentenced to seven months' jail, suspended for a year, and fined £250.

Ocean Village has been home to Premier League footballers, though there is no suggestion they used the brothel.

Pole dance fitness cash snubbed by charity boss

A KIND-hearted group of keep-fit pole dancers were stunned when charity chiefs rejected their £1,000 donation because of 'links' to the SEX INDUSTRY.

The team of dancers from Soul-Pole feel angry following the snub by Cyrenians, who provide food and shelter to the needy.

They claim the charity initially backed their plans for a charity calendar, which showcased the girls' moves as they recreated famous movies such as *Kill Bill* and *Star Wars*.

But when they came to present the £1,000 profits from the calendar – in which the dancers were fully clothed – charity chiefs said it could not be accepted.

Scott Baxter, deputy chief executive of Cyrenians, said that pole dancing was part of the sex industry and accepting the money would be a "conflict of interest".

He said: "We were unable to accept it . . . with regards to our ongoing work and support for women who have experienced abuse and violence, many of whom have experienced sexual exploitation in the adult entertainment industry."

But Sian Young, 37, who owns the award-winning dance and fitness studio, and who herself spent years sleeping rough before turning her life around, said: "It annoys me they never researched my business."

As BBC urged to employ more gays in kids' TV, we look at how the schedules may shape up...

ARE YOU SITTING UNCOMFORTABLY?

THE BBC should have more gay presenters and characters on children's TV, a report has concluded.

By SIMON DEAN
simon@sundaysport.co.uk

Beeb bosses were called upon in the report to ensure that audiences are "familiarised" with different sexualities "from an early age".

The study said it was important to help validate the feelings of gay children by "incorporating representation within programming for children who are going through their formative years".

Demonstrating positive experiences and outcomes will stop LGB children feeling isolated, it said, particularly in rural areas. (*Eh? – Ed*)

Acting director general Tim Davie, chair of the BBC Working Group which commissioned the review, said: "The BBC has a fundamental obligation to serve all its audiences. In fact, it's one of the BBC's public purposes to reflect the diversity of UK life."

Just as a bit of fun (and bear in mind we're just joking) we looked at how some classic kids' TV shows could have looked with a waft of lavender.

Shock photo gives Susan the willies!

SCOTS warbler Susan Boyle has revealed her NAKED photos shock.

The *Britain's Got Talent* runner-up, 51, was horrified when male fans began bombarding her with pictures of their COCKS!

She hinted: "Yes, well, sometimes it's flattering to get letters from men, but it depends who it is.

"Someone once sent me their photo and I'm like, who is that? Or, rather, WHAT is that!?"

And the *Wild Horses* songstress admitted she wouldn't bare all for fans, either, as she turned down the opportunity to pose in her smalls.

Susan said: "I've been asked to do some crazy things, like appear on a celebrity diving show in America.

"What were they thinking? That I might be crazy enough to say yes? The thought of being in a bikini... I look like a sack tied in the middle."

Susan recently said she "wanted to go out with a bang", adding: "I'd like to blow the world away; leave in the same manner I entered this business."

Carly's knickers get 'em going

SEXY pop babe Carly Rae Jepsen has admitted the sight of her KNICKERS gets the biggest cheer at her gigs.

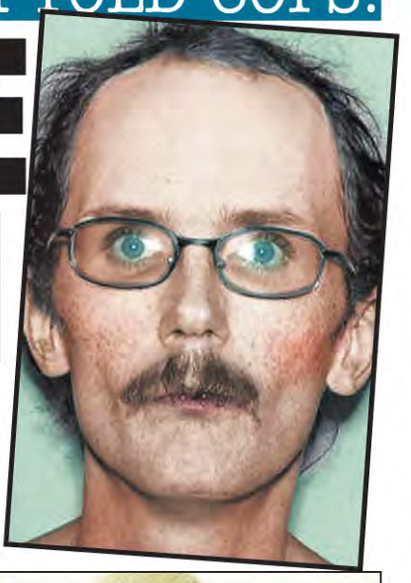
The *Call Me Maybe* crooner, last week nominated for two Grammy awards, says she's always accidentally airing her gusset.

The 27-year-old Canadian revealed: "I once forgot to put hot pants on under my skirt, and mid-twirl I realised I had just flashed the entire audience my pink knickers.

"Everyone cheered so it was kind of funny."

WHAT SICKO MORGUE WORKER TOLD COPS:

SEX WITH THE DEAD IS A VICTIMLESS CRIME



CORPSE LOVER: Rastenburg (*right*) claims his bonking of the dead isn't morally wrong. Nonce Savile (*below*) probably did it

By SIMON DEAN
simon@sundaysport.co.uk

AN oddball on trial for having sex with dead bodies shocked hardened lawmen by insisting "necrophilia is the ultimate victimless crime".

Warped Otto Rastenburg is thought to have scuttled his way through at least 17 cadavers during a three-year corpse-shagging spree at the hospital where he worked as a mortuary attendant.

He was only caught when, acting on a tip-off, a WPc pretended to be a fellow necrophiliac and befriended 47-year-old Rastenburg online.

The boastful pervert bragged about his corpse antics and told the horrified lady cop that he particularly enjoyed anally violating the departed.

When he was arrested, Rastenburg made no attempt to deny his crimes.

He said he planned to make his trial "a soapbox for love of the dead" and he claimed he would "remove the final taboo". Detective Kurt Osgang told a court in Hamburg, Germany: "The prisoner told us that he knew necrophilia was wrong in law but argued it was not morally wrong.

"He said necrophilia is the ultimate victimless crime and that nobody can have any logical objection to it.

"He asked, 'Have any of the so-called victims complained?' It was the most chilling thing I've heard in 20 years on the force."

Angry relatives of the deceased were removed from the court after turning unruly when they saw Rastenburg had become sexually aroused by some of the evidence.

Rastenburg pleaded guilty to 17 counts of necrophilia but has claimed the rare German defence of "moral innocence".

If convicted he faces up to 10 years in jail.

The case bears uncanny similarities to that of pop nonce Jimmy Savile who is suspected of sexually violating the dead at hospitals where he volunteered as a porter.

"WE'VE been on holiday together quite a few times over the years.

Our favourite places are always hot and sunny and we just love to sunbathe topless.

The best bit about having your girlie mate with you on the beach is that she can rub sun cream into all those hard-to-reach places.

And we always get plenty of fit blokes buying us drinks in the evening when we go out together – result!"

BRITAIN'S No.1 SHOWBIZ COLUMN

CHRISTMAS is coming, the goose is getting fat... but don't talk to SPIDER'S LEGS frontman NILES PETTIGREW about goose fat!

An incident with anserine lard at PECKERS DANCING in Frome landed Niles with a slap on the wrist from Somerset magistrates and a front page report in the local rag.

His ex, SONIA SCHPLITTASS, will be less than happy – as she's just signed up to promote the FAIR PLAY FOR GEESE campaign.

I'M told **GANDER FOLSTROP** is back in the studio, recording his first album since the debacle that was **SLIPPERY SLOT**.

As you'll recall, that LP was banned in Scotland thanks to lyrics which were deemed to encourage sectarian drinking.

One track on the new disc may also cause problems north of the Border – it's called **BUCKFAST POPE F***!**

THERE'S little that nazi-rock pioneer TARQUIN DUNDERHEAD has not seen in a long career on stage.

But scenes at the BURNING CROSS in Middlewich on Saturday night had even Dunders spluttering with bewilderment.

Apparently, the upstairs room – where Dunders was playing to a "robust" crowd – had been double-booked with the MIDDLEWICH JEWISH GOSPEL CHOIR!

SEVENTIES prog-folk outfit **SNITTERS WAIN** are to reform for a tour of Britain's narrow gauge railways!

The Snitters, minus drummer **KEITH SADDLE** – who died in a 1987 threshing spree – will kick off at **LLANBOSANT AND GLANWERN RAILWAY** in March. I'm told Keith's place will be taken by former **SWOLLEN BLADDER** drummer **CHRIS TOOT** – and he hates trains!

TICKETS are selling "well", I'm told, for SCHOOLBELL TINKLE'S gig at NANTWICH ODEON on Tuesday.

Lead singer POPPY AXWOUND tells me that out of 300 tickets, "almost a quarter" have already been snapped up.

Demand would have been higher, she explains, but for the fact that a local school are holding a Christmas bring and buy sale on the same day.

BRIT BABES FLASH THE OF

By JUSTIN DUNN

THE mad craze for women FLASHING their naughty bits in public and posting the pics online hurtles on unabated.

Many of the game-for-it girls have stripped FULLY NAKED in BROAD DAYLIGHT while their partners or pals take raunchy snaps.

Afterwards the girls can't wait to get the pix up on social networking sites such as Twitter or flashing websites like nakedinpublic.tv

Mandy Braddick, 39, from Southport, said: "It's the horniest thing ever and now I've got a few of mates at it, too.

"It's only a bit of fun and I don't see the problem – we're all born naked, after all!"

Tracy Devlin, 21, from Arnside, Cumbria, said: "I'm hoping to organise a massive group flash for the New Year – so watch this space!"

Hobbit actor slams British films as 'sad'

THE Hobbit star Andy Serkis has slammed the British film industry, calling it "sad" and "small-minded".

The Brit actor (*above*) provides the voice for ring-fingering beast Gollum in the *Lord Of The Rings* prequel.

Andy, 48, says there's NO WAY the New Zealand-based epic could have been shot in Britain.

Speaking about "performance capture" CGI technology, he said: "It's certainly more understood now, but not in this country, which is quite sad.

"In the US, it's industry standard.

"Here, we're still quite small-minded.

"It's the way we view our film industry – as a cottage industry rather than a mainframe one.

"Films are created with scale in LA and we can do it here too – we have talented people here working on visual effects.

"Making films of scale is something we've shied away from.

"We make great kitchen sink dramas but I think we can do that and also make big-scale films, too."

'Bestial' guard says it's shaggy dog tale

A SECURITY guard has been arrested for allegedly bonking a DOG on duty.

Fanuel Piki, was seen with the animal by a gardener in Bulawayo, Zimbabwe.

Groundsman Prince Moyo alerted his boss who then called officers at Hillside Police Station.

Reports suggest it is not the first time Piki had sex with the dog.

An insider said: "We heard rumours he was doing it in June. Now it is credible that he has been doing it for some time.

"We heard that he would tie it up before having sex with it."

Piki has denied the allegations, saying: "These are lies being spread by the gardener.

"I keep the clock in and out book and he is always late. He made up the story because I have given him several warnings."

WHY OUR CAMPAIGN AGAINST APE ABUSE MUST CONTINUE...

THIS ORANGUTAN IS A PROSTITUTE!

Kyla Cole
Age 26, 36DD-24-34, from Lambeth
"I'M all over the place this year as far as sorting Christmas is concerned.
There's still a ton of presents to be bought, and I'm probably going to have to brave the crowds for those as I've already ordered too much stuff online – I just can't stop myself and half of it will have to go back.
Still, I know that 10 days from now it'll all be done and dusted and everyone will be happy.
It always seems to work out, doesn't it."

By SIMON DEAN
simon@sundaysport.co.uk

LIKE painting the Forth Bridge, *Sunday Sport*'s campaign against cruelty to our closest relatives is a task that's never completed.

Last week we reported how the Thai government banned monkey prostitution after our two-year campaign.

But our Monkey Protection Team was forced to pick up the cudgels of war again when we discovered an ORANGUTAN forced into whoring.

MONKEY BUSINESS: Pony was found chained to a wall

Shaved

Pony the orangutan was discovered in a "prostitute village" near Sintang, in Borneo.

She was chained to a wall and lying on a mattress stained with a thousand adulteries.

Pony was completely shaved of her luxuriant ginger hair when our investigators – posing as monkey sex fiends – stepped in.

The boom in so-called eco-friendly biofuel is driving the demand for orangutan hookers.

Away from human women for months at a time, workers toiling on the plantations that grow organic matter to convert into non-fossil fuel, slake their lusts on the dear monkeys.

And plantation owners PAY workers to visit the monkey whores, to stop the men from resorting to homosexuality, which is bad for productivity.

Seb Shepherd of the pressure group Humans Are Animals, said: "Like a jungle fire, you put out monkey prostitution in one place only to see it flare up elsewhere."

RESULT: Thailand bowed to pressure

Robson keeps his Unchained teeth glued in

SINGING legend Robson Green is forced to travel everywhere with a tube of SUPER GLUE in case his TEETH fall out.

The 47-year-old celebrity swimmer and angler (*above*) lost his gnashers when he was punched in the face and has been forced to wear falsies ever since.

The smack in the chops was not provoked – as many would assume – by Green's rendering of *Unchained Melody* with *Soldier, Soldier* colleague Jerome Flynn, but took place years ago at school.

Green said: "Not a lot of people know this but I have false teeth.

"Sometimes they can get a bit wobbly and the best thing I have found for keeping them in place is Super Glue.

"It sounds ridiculous but it really works and it's saved me from embarrassing situtions."

Green added: "My teeth fell out when I was 15 and punched in the face by a lad at school. I arrived home in such a state my father saw red, went round to the lad's house, headbutted his dad and threw him in the dustbin."

Welsh plan to make a killing

THE Danish TV station that makes BBC4's *The Killing* has bought a WELSH language cop thriller set in Aberystwyth.

DR Denmark has acquired *Hinterland*, an atmospheric cop yarn, backed by Welsh language broadcaster S4C, which has begun shooting in the seaside resort.

***The Killing*, featuring gloomy tec Sarah Lund, has boosted tourism to Denmark and S4C bosses believe the series will have a similar impact in Wales.**

10 THINGS YOU DIDN'T KNOW ABOUT... FRACKING

A NEW phase of fracking – or drilling for shale gas – which the Government hopes will revolutionise Britain's energy supply, was given the go-ahead last week.

The controversial technique of extracting gas from subterranean rock was suspended last year after it was believed to have caused two earthquakes in Blackpool, leading to thousands of pounds of improvements.

Energy Secretary Ed Davey said new conditions had now been imposed to minimise the risk of seismic activity.

It is not yet clear how much of the trapped gas is recoverable, with drilling so far restricted to Lancashire.

Everyone's talking about it, but what is fracking and what are the benefits and the dangers? Here are 10 things you need to know:

1 Fracking is the process of drilling down and creating tiny explosions to shatter and crack hard shale rocks to release the gas inside. Water, sand and chemicals are injected into the rock at high pressure which allows the gas to flow out to the head of the well.

2 The word is shorthand for hydraulic fracturing and refers to how the rock is fractured apart by the high pressure mixture.

3 The first use of hydraulic fracturing was in 1947 but the modern fracking technique, that made the extraction of shale gas economical, was first used in 1998 in Texas.

4 Much of the water used in fracking is collected from the well and processed, but there are concerns that potentially carcinogenic chemicals can sometimes escape and find their way into drinking water sources.

5 If we got more gas from fracking we would not have to rely on sly and treacherous Russian gangsters for our energy.

6 Don't expect to make a mint if there's shale gas under your house. Unlike the USA, landowners in the UK do not own the mineral rights under their land.

7 There are believed to be 200 trillion cubic feet of gas lying under the Lancashire countryside – that's enough to keep the UK going for 50 years and create more than 5,000 jobs.

8 The total value of the gas under Britain is estimated at £15trillion – that would be enough to pay off ALL personal and government debt – two times over.

9 If you think fracking is boring, think again. The subject has been made into a film, *Promised Land*, starring Matt Damon.

10 France has banned fracking, which suggests fracking is a very good thing – a very good thing indeed.

READE ALL ABOUT IT: Sophie's all-new calendar is perfect

By JUSTIN DUNN
justin@sundaysport.co.uk

TRY not to make too much mess when you pull it off – the cover of Sophie Reade's calendar, that is!

Sexy Sophie's all-new 2013 calendar is on sale NOW – and here's a taste of what to expect from the 36GG stunna month after month.

Cheshire-born Sophie, 23, has been driving men wild since she began topless and nude modelling two years ago.

She's since appeared naked in Playboy and a host of top UK men's magazines – as well as the pages of *Sunday Sport*, too!

Sophie still lives with her mum and dad, her two brothers and pet pooches Army and Moo.

"I posed with a Hoover for the calendar but to be honest cleaning isn't really me," she said.

It's OK Sophie – we like a bit of muck, too!

CAPTION CONTEST

WIN £50

WELL folks, we had a HOLE lot of fun judging last week's Caption Contest!

And we couldn't KNOCKER any of the first class entries.

But there can only be one winner and this week it's **Paul Bowen** of Nottingham with: "Not much treasure but what a lovely chest."

Mark Nevin, from Kirkintilloch, tried: "Who said you couldn't play golf on the beach? The Sheila here could still have a hole in one."

Andrew Blow, of Milton Keynes, sent us: "She's a blonde – I said 'get your boobs out on the beach', not 'put your boobs IN the beach'!"

John Burman, of Canning Town, London, joked: "From where I'm stood, everything seems ship shape and Bristols fashion."

Tommy Coleman, from Newton-le-Willows, commented: "Come over here lads and SAND-wich your willy between these!"

Steve Sheppard, from Doncaster, said: "Clear scientific evidence that silicon is harder than sand."

AR Hall, of Porthcawl, sent in: "I normally do this when my fella is f***ing me from behind – it stops us doing a 'wheelbarrow'!"

Gerry Exall, from Weston-super-Mare, made us laugh with: "My boob job gets me a HOLE lot of action!"

Now it's YOUR turn to see if you can win £50 with your wits.

Just come up with a caption for the pic on the left, fill in the coupon below, and send it to: *Caption Contest, C/O Sunday Sport, City View House, 5 Union Street, Manchester M12 4JD.*

Entries must be with us by Friday.

AS NORTH KOREA SPARKS INTERNATIONAL CRISIS

INSIDE THE COUNTRY WORLD WAR III

By BARNEY SAMUELS
in Pyongyang

THE first thing that hits you about North Korea is the smell.

It is one of the hardest things on God's earth to describe.

Try to imagine the odour of a wet dog lying next to a two-bar electric fire, tinged with burning polythene and with a hint of briskly-rubbed mouse droppings.

It is the stench of despair.

And if soul-flattened North Koreans have a national characteristic, despair is it.

Last week the world's last Stalinist dictatorship defied the civilised countries of the world – and its only ally, China – by launching a multi-stage ballistic rocket into space.

The broad-hatted generals in Pyongyang claimed the Unha-3 rocket was launching a peaceful weather satellite.

But everyone knew it was really a demonstration that North Korea could deliver its ramshackle attempt at an atomic weapon up to 4,700 miles – a distance that would bring Tokyo, northern Australia or even Alaska in range.

A LIFE LESS ORDINARY: The high rise flats of North Korea's capital, Pyongyang (*left*) are home to the country's many enslaved citizens

Outcry

Of Course – like all Communist engineering – the satellite fell to pieces within hours and the launch provoked an international outcry and denunciation around the world. But the howls of outrage are music to the ears of North Korea's youthful leader, Kim Jong-Un.

Like his father and grandfather – who ran North Korea before him – 29-year-old Kim revels in the criticism.

And if the launch leads to further international sanctions it is not Kim and his ruling clique who will suffer.

As usual, the wrath of the world' community will be felt most keenly by the ordinary North Koreans.

Not that there is such a thing as an "ordinary" North Korean.

Machines

Under the Communist yoke since 1945, North Koreans today are more machines than men.

And very poorly-maintained machines at that.

Their average life expectancy is equivalent to that in England during the Wars of the Roses. Bubonic plague, leprosy and dropsy – diseases now almost unknown in civilised lands – are rife in the countryside.

In the cities, thousands are carried off by the orange, toxic smog belched out by power stations burning substandard coal and – if rumours are to be believed – the corpses of political prisoners.

Investigating undercover in the secretive state, *Sunday Sport* discovered:

WITH ROCKET LAUNCH, SUNDAY Sport GOES THAT WILL START

CALL TO ARMS: 'Glorious Leader' Kim Jong-Un (*above*) has a huge army (*left*) who lack fight and vigour

● SECRET police beheading citizens in the street for not displaying sufficient dead-eyed devotion to Kim – known to all as the "Glorious Leader"

● RATS turning their noses up at emaciated human corpses lying uncollected in the broad streets of Pyongyang

● SPIDERS dying of hunger, as all the flies have been eaten by starving people

To describe North Korea as Hell on earth would not do justice to the horror of the wretched land.

For not even Satan and his legions of demons could dream up such anguish.

Regime

Apart from the ruling elite, the only people to receive any benefit from the North Korean regime are the vast armed forces.

But those benefits are hardly generous.

After 10 years unblemished service in uniform, North Korea's soldiers, sailors and airmen are entitled to just ONE bar of western chocolate.

If that were not bad enough, veterans are expected to HAND BACK their sweetmeats "for the glory of the Democratic People's Republic".

So why do the North Koreans not rise up against such oppression?

Because dissent is not just discouraged, it's DEADLY.

We found evidence that 30 officials, who were found to have held talks with South Korean counterparts, died mysteriously in road "accidents" last year.

When Kim Jong-Un took over from his father Kim Jong-Il – who died of a heart attack last year – more than 200 officials were rounded up and shot "to show that the new boss means business".

Around 200,000 political dissidents currently languish in North Korea's prison camps. And prisoners are regularly fed to starving guard hounds, as no money is made available for dog food.

It is the declared aim of Kim – as it was of his father and grandfather befire him – to spread North Korea's brand of socialist hell to the free world.

Is Kim's dream any closer now that North Korea has nuclear bombs and intercontinental ballistic missiles?

In truth, no.

With all fight and vigour strangled from them by the wickedness of Communism, the North Korean army would collapse in any proper war.

Missiles

The armed forces are so depleted that TRACTORS are used to pull puny missiles through the city on their National Independence Day, September 9.

That said, North Korea's military folly could lead to WORLD WAR III.

For if Pyongyang attacked South Korea, Japan or even Alaska, the United States would be bound to retaliate.

That would awaken the sleeping giant of China – the emerging regional superpower – sparking a worldwide conflict that would incinerate us ALL.

So be afraid of North Korea... be VERY afraid!

School Miss 'full and oral' with lad, 17

A HIGH school science teacher has been accused of having intercourse and oral sex with a 17-year-old student.

Lindsey Michelle Trimble was arrested and charged with having sex with a minor and oral copulation.

Trimble (above), 28, resigned from her teaching job on the same day.

It is believed the alleged sex took place at various homes in her home town of Auberry, California.

A school district employee told bosses who immediately notified police.

Parents were upset and angry at the Clovis East and Reyburn Intermediate school, where Trimble had worked since 2010, for not telling them sooner.

One parent said: "I didn't know it was five days after the arrest. I just barely got the phone call.

"It's something that should've been told right away."

THE BONNY, BONNY BONKS OF LOCH LOMOND

TOURIST chiefs at one of the UK's most popular tourist destinations have been left red-faced after it was named as a top spot for DOGGING.

Loch Lomond Shores boasts of being "a principal gateway to Scotland's First National Park" and "Scotland's most spectacular visitor destination".

But the loch, near Glasgow and immortalised in the traditional Scottish dirge *The Bonny Banks of Loch Lomond*, has also won the dubious accolade of being mentioned in a seedy online guide to dogging – the act of watching others having sex in cars.

By NEIL GOODWIN
neil@sundaysport.co.uk

Action

On swingingheaven.co.uk, members are invited to list their favourite places for the illicit activities.

It reads: "Loch Lomond Shores – car park at Lomond Shores at night has seen loads of action."

A spokeswoman for the Lomond Shores centre said: "We have CCTV here and 24-hour security patrols.

"We don't lock the car park. It's an open site and people do come through but we have security on patrol at all times.

"We haven't heard of this happening but I will bring it to the attention of the security patrols."

A spokeswoman for Loch Lomond and Trossachs National Park Authority declined to comment.

BEST SEX

ABI: What's the best sex you have ever had?
BECCA: A quickie in the shower! Me and my fella were at a family wedding and we went upstairs to our room to get changed for the night do.

I jumped in the shower and the next thing he stripped off and hopped in with me. We knew we didn't have long or people would wonder where we were so it was fast and furious.

By the time we got back downstairs we were both a bit red in the face. I swear everyone knew what we'd been up to!
ABI: Ha ha. Mine sounds boring but it was with this fella I pulled a few months back.

He was dead fit and had a huge willy – it was bloody brilliant. He was really tall and muscly and had an amazing physique.

When I saw the size of his tackle I couldn't believe my luck. We literally bonked all night long and the next day I could hardly sit down!

WORST SEX

BECCA: What about the worst sex?
ABI: Oh my god! That was in a nightclub toilet.
BECCA: You dirty cow!
ABI: I know! I was on a girlie night out last summer and I was pretty drunk when I bumped into this lad I used to go to school with who I hadn't seen for a few years.

We got chatting and he told me he had always fancied me and I admitted I always liked him too.

The next thing we were snogging on the dancefloor and it all got a bit steamy so he grabbed my hand and led me off to the ladies loos.

He pinned me up against the wall and we were just getting into it when this group of girls came in and started shouting and totally ruined the moment. I was gutted!

It was such a let-down. When I woke up the next day I was mortified.
BECCA: You filthy cow. Mine was with this bloke I pulled on holiday. We met in a bar and he was dead fit.

He was talking dirty to me and telling me what he wanted to do to me so I thought I was in for a right good night. But when we got back to his hotel he couldn't get it up. I was disappointed to say the least.

PUBLIC PLACES

BECCA: Have you ever had sex in a public place?
ABI: Apart from nearly doing it in a toilet you mean?

I once bonked my ex on the back seat of his car. We had been out for dinner and decided to go back to his place for a bonk. But when we got there he realised he'd forgotten his door keys so we were stranded.

To pass the time we started kissing and one thing led to another.
BECCA: Wasn't it a bit uncomfortable?
ABI: I ended up sitting on his lap and I kept bumping my head on the rearview mirror! But actually it was pretty good considering. What about you?
BECCA: It's not exactly a public place but I did once have sex in a tent at a music festival and got caught by one of my mates. We were mid-shag when suddenly she opened the zip of the tent and saw everything.

THREESOMES

ABI: Have you ever had a threesome?
BECCA: No, but it is definitely on my to-do list. I've got a long list of things I want to try one day. Imagine being an old lady and wishing you'd done more when you were younger.

So I want to make sure I tick things off while I'm young!
ABI: You saucy minx! I must admit I do fantasise about having a threesome but I'm not sure if I would ever have the guts to actually go through with one.

And it would have to be with a girl I really fancied.

LESBO LOVING

BECCA: Talking of fancying girls, have you ever had any lesbian action?
ABI: I've snogged a couple of my mates when I've been drunk but not more than that. What about you?
BECCA: Oh yes! I like getting it on with girls.

I reckon I'm pretty bi-sexual in some ways, although I prefer it with fellas. I just like the feel of a woman and I like groping boobs.
ABI: Nah, that's not for me. Give me a nice big willy any day!

DRESSING UP

BECCA: Do you dress up in the bedroom?

> 'When I saw his tackle I couldn't believe my luck'

ABI: Last New Year's Eve I went to a fancy dress party as a naughty nun.

I was wearing a really short black skirt, fishnet tights and a tiny top and my fella was proper turned on by it.

He made me take everything off apart from the nun's headgear. He loved it!

I have kept it in case he asks me to dress up again one day.
BECCA: I reckon dressing up and role play is a great way of spicing things up.

I've got all sorts of outfits – my favourite is a dominatrix PVC catsuit and riding crop.

I like getting into the role of a dominatrix and putting a fella in his place. They always get really turned on by it too.

BUM FUN

ABI: Have you ever tried anal sex?
BECCA: Yep, it was on my list of things to try so I gave it a go.

To be honest, I wasn't that keen. I'm glad I tried it but it wasn't really for me.
ABI: I actually don't mind it! My fella really likes it so we do it once a month as a special treat! I agree that it's important to try new things.

SEX TOYS

BECCA: Have you got any kinky sex toys?
ABI: I've got a vibrator which I am in love with!

My friend bought it for me for my last birthday.

We had a conversation a few months earlier and I told her I'd never had one and she was outraged.

She couldn't believe it. So she got me this little mini Rampant Rabbit and it is amazing.

I couldn't believe what I had been missing out on. Let's just say I have been making up for lost time!
BECCA: Ha ha. I've got a couple of vibrators which I use if I'm going through a dry spell but, to be honest, I much prefer the real thing.

GOING DOWN

ABI: What is your view on oral sex?
BECCA: Well, I like to think I'm pretty bloody good at it! I've certainly had a lot of compliments on my technique from various fellas. And I've done it a couple of times with girls too, which was pretty weird at first but actually quite nice.
ABI: What about receiving?
BECCA: That is just my idea of heaven! Only if it's done properly mind you.
ABI: Same here. I love it when my boyfriend goes down on me.

He is amazing at it and I literally can't control myself. It's making me feel horny just thinking about it!

FAVE POSITIONS

BECCA: Calm down! Tell me, what is your favourite sexual position?
ABI: Sorry if I sound boring but I like missionary best.

I'm willing to try out new ones and believe me I've given plenty a go, but I always come back to the missionary.

I just like having a man on top of me and digging my nails into his bum cheeks!
BECCA: I haven't really got a favourite – it depends what mood I'm in. I've got a copy of the Kama Sutra and I want to try them all at some point.
ABI: You can't say that – you've got to choose your favourite.
BECCA: OK, if I have to make a decision I would have to say me on top sitting up. I like straddling a fella and watching his face as I control the rhythm. I like to be the one in charge.

Retired priest, 80, bites other Father's ear off in parking row

A RETIRED priest, 80, bit the EAR off another elderly clergyman during a violent brawl over a parking bay in their block of retirement flats.

Father Thomas Henry Byrne appeared in court charged with grievous bodily harm over the incident with his neighbour Father Thomas Joseph Cameron Smith, 81.

According to police, after the brawl Father Byrne told Father Smith to pick up an item up on the ground.

It was not until Father Smith returned to his flat that he realised the item he had picked up and put in his pocket was his right ear.

Father Smith put it in a tea towel and drove to Dianella Medical Centre, in Perth, Western Australia, where staff phoned for an ambulance and alerted police.

He then underwent surgery to save the ear.

Father Byrne sported a black eye when he appeared in East Perth Magistrates Court where he did not make a plea.

Magistrates imposed strict bail conditions on him, including not going within 10m of Father Smith, or acting in a violent or threatening manner towards him or attempting to communicate with him.

Drunk eaterie groper nicked

A DRUNK woman was arrested after she groped diners in a restaurant while rubbing her FANNY.

Jana Lawrence, 46, swore at them before exposing her BREASTS.

One stunned customer said she massaged her genitals while licking her lips then she started flashing her boobs again.

Other punters reported being GROPED and flashed at by her.

Lawrence had earlier been kicked out from a bar next door after sitting down with "her bottom exposed," the owner told police officers.

She has been charged with sexual battery, public indecency and drunkenness in Dacula, Georgia.

After arriving in jail, she reportedly asked a female officer if she "had and wanted a girlfriend."

DOCS were stunned when they removed a CANDLE which was wedged in the rectum of a patient at St Gracy-le-Mer Hospital in Bordeaux, France – and it came out LIT!

TRUE LAD

Outrageous real life tales of booze, babes & footie

AS you know, *Sunday Sport* is the home of all things "lad", so it wasn't exactly rocket science to team up with the boys at *www.truelad.com* — the home of lad banter.

If you haven't already seen it, then you're missing out on some of the FUNNIEST real life stories and pictures the web has to offer.

Every week, we print a selection of their daily updates of true tales of lad life. Birds, booze, sport — you name it, *www.truelad.com* has got it covered. But don't take our word for it, check out the site yourself.

You're guaranteed to piss yourself... in a good way!

READ TRUE LAD EXPLOITS EVERY WEEK IN YOUR SUNDAY Sport

MY football manager has a 7/10 daughter around the same age as most of the players. At training one night he overheard us talking about her. He brought us into the dressing room and very calmly said: "Whatever you do to her, I'll do the same to you".

*ProtectiveDad***LAD**

IF my missus was on my cock as much as she was on Facebook I'd be sore but happy.

*FacebookWidower***LAD**

NEW girlfriend said she wanted to wait until after Christmas for sex. Nothing sexual at all! Put my hand down her trousers yesterday and used the excuse, "Just keeping my hand warm." It only went and worked! Best shag I've ever had as well! Use it **LAD**s – it works like a dream!

*LikesThisColdWeather***LAD**

OUT in the pub on Sunday when coming back from the bar I see a 2/10 bird I shagged a long time ago – not my finest hour. So I deliberately avoided eye contact with her and carried on my merry way. And was fine until I nipped outside for a smoke. I'm halfway through and Orca the whale is there in front of me. She starts chattering away and telling me about her job and all this shit then comes out with, "So, what have you been up to?" I gave her what I hoped was a blank look and said, "Sorry love, think you've got me mistaken for someone else". The look on her face was priceless and I could pretty much see the cogs in her head turning as she tried to remember me.

*DenyEverything***LAD**

A GIRL (6/10) changes her Facebook status to: "My dad was hammered so we locked him in the car and went to bed. Then at 4am he started sounding the horn because he had shit himself".

*NightSoilDad***LAD**

TO the absolute **LAD** who stuck up

for me when the girlfriend had a go at me in the supermarket. He pointed at me and said: "Hey, he's allowed to get fat" when she told me I couldn't get doughnuts.

*StandsUpForHisFellow***LAD**s

REPORTER talking to Mourinho: "Why do you think Chelsea are struggling since you left Stamford Bridge?" Mourinho said: "Because I left Stamford Bridge."

*Mourinho***LAD**

MY girlfriend (7/10) asked me what I wank over. Apparently "Katie Price's tits" isn't the right answer.

*SometimesTheTruthHurts***LAD**

HAD a huge night out on Saturday with the **LAD**s. The pre-drinking got slightly out of hand, having started with a few "casual" drinks at 4pm. Over the course of the night, two of the **LAD**s were kicked out of a club for being too drunk, one **LAD** blacked out in a smoking area, one **LAD** pulled a 7/10 and went home with her, forgetting to pick up his new leather coat from the cloakroom, while another **LAD** passed out in the taxi depot on the floor – where he remained until 5am, when he was woken up by a prostitute offering him sex for £30.

*Can'tWaitForNextWeekend***LAD**

TO the commentator**LAD** on the Barcelona game, who after learning the keeper's name is Adrian San Miguel, says, "I'll have one of those".

*BeerAtAnyTime***LAD**

ON the train and overheard a girl (7.5/10) describing her night out in Newcastle: "I've got scratches all over me back and shoulders, carpet burns on my knees and elbows and I can barely walk!"

*GoodEffortGeordie***LAD**

EVERY Sunday is the same. Get up at 11am. Beeriod. Get down the shops for my *Sunday Sport* and some beers. Then don't move off the sofa until all the live footie matches have finished. Bliss!

*LovesHisSundaySport***LAD**

CURRENTLY going out with an American lass so have to spend a lot of time with photos, webcams and my right hand. I'm flying out to see her in a week and we're texting about what we're gonna do to each other. I thought I'd send her a pic of the boy downstairs. Little did I know she's surrounded by her college sisters and the phone gets passed around. Apparently the general consensus is that my cock is "fairly large and aesthetically pleasing".

Dear Annie,

I'M happily married and now my two young kids are off my hands at school, I have loads of spare time.

My husband's a great bloke and works really hard, but it's taking so much out of him that he's usually too tired to f***.

The other day I was doing some housework when next door's gardener arrived.

I'd never seen him before and although he was quite a bit older than me he had a fit body. In fact, he was so fit my pussy started tingling.

I knew my neighbours were away on holiday so I went to offer him a cuppa.

As I bent over to smell one of their beautiful roses, he came up behind me and thrust his boner between my bum cheeks.

I turned round, pulling his penis out of his jeans before giving him a blow-job.

Before he produced his man muck, I lay back on the garden table and he rammed his implement up my chuff.

My garden needs a bit of attention.

Do you think I should ask him to do it?

HN, Middlesex

Annie says...

YOU'D be blooming mad not to.

Dear Annie,

WHEN my girlfriend started bringing a hot water bottle to bed in the winter, I hated the idea of sharing our love nest with a hot rubbery thing.

What the hell was I thinking?

It was a brilliant way to get snuggling up to her and rubbing it – that's the hot water bottle – up and down the backs of her legs gets her really horny.

When the weather starts warming up I began to panic, thinking I would not be getting as much sex.

What was I thinking?

She's just as horny during the summer as she is in the winter – it's brilliant!

All those blokes who whinge that their girlfriends never put out need to dump them and find themselves a decent bird who loves shagging.

EG, Avon

Annie says...

I HAVE to agree with you – I wouldn't stay with a bloke who wouldn't give me regular sex!

Dear Annie,

MY new girlfriend has got really fat lips that make Angelina Jolie's look deflated.

I love watching her give me a blow-job because I get to see those gorgeous puffy lips cup my knob and slowly suck me up.

When she moves her mouth up and down my length, her lips wobble and quiver and it really turns me on.

And her pussy lips are just as big and fluffy so I get just as turned on watching my knob slip in and out of her fanny.

Do you think I am a filthy perv for thinking like this?

OJ, Devon

Annie says...

NO! Lips should be soft and kissable – just like mine!

DO YOU HAVE A SEX PROBLEM?

AGONY WITH Annie Bullah

Age 22, 32F-24-35, from Loughton, Essex

Wife's sexy sister is best I've ever had!

Dear Annie,

I'M hiding a terrible secret – I am shagging the wife's twin while the missus is working nights at the local hospital.

I know it's wrong but I also fancy the pants off her sister and when it comes down to the sex, she is everything my wife isn't.

It started in March when we went to a fancy dress party.

I went as a shepherd and they went as Swiss milkmaids in black dresses, white hats and pigtails.

They're both good-looking – blonde, slender and with heaving DD cup boobs – and people, including myself, find it hard to tell them apart.

After a few beers at the party, I was feeling as horny as f*** and went off in search of the missus to see if she fancied disappearing for a quickie.

I spotted her going into the bog, so before she could close the door I grabbed her round the waist and pushed her quickly inside before locking the door.

She was a bit tipsy and by the time she'd turned around and realised what was going on, I'd whipped out my dick.

But, as a look of shock came across her face, I realised I'd got the wrong one!

I was really embarrassed and tried to talk myself out of getting a slap, but her face just broke into a huge smile – which was a big come-on if ever I saw one.

Gobble

Her eyes wandered down to my by now limp knob and without saying a word she fell to her knees and started sucking.

I was speechless because my wife doesn't like to experiment when it comes to sex. I either get the missionary position or nothing.

But there was her sister – the spitting image of my wife – giving me a gobble. It totally blew my mind!

As she ran her tongue up and down my throbbing knob, she gave my balls a delicate squeeze with one hand and then pulled down my pants with the other.

I could see she had no bra on because her nipples were like chapel hat pegs poking through her silky black dress, which by now had ridden up her thighs to reveal her sexy black suspenders and lace tops.

Within seconds I was pulling her dress over her head. I couldn't believe it when I saw she had no knickers on.

By now I was gagging for it and she was too, as she stood up and began massaging her tits.

I just couldn't wait any longer, so I bent her over the sink and I took her doggy-style.

She groaned so loudly when we came together that I thought everyone must have heard what we were up to.

As we quickly got dressed, she told me how she'd never had a cock so big inside her before.

I also admitted that she was a fantastic f*** – the best ever!

So we stayed there shagging each other's brains out on the floor, against the wall, in the bath, on the toilet and even on the windowsill.

As we left the loo I felt wonderful, but my heart sank when I spotted my wife on a chair.

But she'd been caning the wine and had fallen asleep so hadn't seen us.

Eight months on and although we know it's wrong, me and her sister still meet up for sex about three times a week.

We have even started experimenting with some S&M moves. I especially like it when she dresses up in PVC and slaps my arse with a riding crop.

But the other day my mobile phone bill arrived and my wife saw it.

She saw all these calls to her sis which were obviously when she was out at work.

I lied through my teeth saying I was buying her (the missus) a present and I wanted some ideas.

I think I should end it but at the same time I'd be giving up the best shags of my life.

What should I do?

LH, Bristol

Annie says...

GET her that present – maybe sexy underwear – and make her feel like she is the sexiest woman on the planet. You never know, she might be as bored as you in the bedroom.

Dear Annie,

ME and my woman have been together for eight years and our sex life has been getting stale.

So to spice things up she paid a visit to one of those saucy shops and came home with some racy lingerie – and some sex toys.

She looked a bit like mutton done up as lamb in the stockings and suspenders, but when she started using a vibrator on her hairy fanny I soon had my cock in her mouth.

She sucked me dry then I got to work on her pussy with my tongue and as I was doing this, I slid the vibrator up her bum.

She was soon screaming in ecstacy, but then decided she'd like to repay the compliment.

So she unleashed a huge strap-on dildo that she said she wanted to use on me.

I was so horny by this time and she was soon punding my arse while giving me a reach-around. The trouble is she wants to do it every night now and I thought it was a one-off. What should I do?

BA, Tyneside

Annie says...

TAKE it like a man. At least you are getting some action now.

SEX CONFIDENTIAL

ANDY'S TINY TODGER TROUBLE

There's not much on telly tonight
There never is when X Factor's finished
We could make our own entertainment
Only if you promise not to joke about my small willy
Is it in yet?
You always have to take the piss, don't you?

Annie says...

THE old saying goes "It ain't the size of the boat, it's the motion of the ocean" and it's meant to reassure fellas who have under-average tacklage.

Most women are not that bothered about willy size, so long as the bloke knows what he's going with it. And don't forget, an over-large one can be painful – especially if you're having botty sex.

Work with what you've got and if she keeps taking the piss, get a new bird!

LILLO'S RINGPIECE

STEVE LILLIS' KNOCKOUT BOXING COLUMN

I'll give up Klit in the New Year!

HOPEFUL: David Haye wants another world title

HAYE HAS LAST BLAST AT VITALI

FIGHTING VIT: Vitali always wanted a dust-up with Haye

DAVID HAYE will retire from boxing again unless a fight against WBC heavyweight champion Vitali Klitschko is agreed by the end of next month.

There has been dialogue between the camps and German TV is anxious to pump millions into the battle but they are still a long way from agreeing terms.

It seems Klitschko is undecided on his future and has lofty ambitions as a politician in the Ukraine parliament.

Haye, 32, is also in demand after his successful spell in *I'm A Celebrity* and recently launched his own fitness DVD.

Concentrate

He has told friends that unless a deal to fight Vitali is done in early 2013, he will call time on his boxing career and concentrate on other projects.

The former WBA champion said: "I said after the Chisora fight I'd only be interested in fighting for the heavyweight championship of the world.

"Wladimir has said that he doesn't really want to fight me again. He's fought me once and beaten me fair and square, so I'd like to fight his brother Vitali Klitchsko for the WBC title.

"He's said on numerous occasions over the last couple of years that he wants to shut me up and he wants to knock me out.

"I'd love to give him the opportunity to do that next year.

"I think it's the biggest fight in boxing now that Manny Pacquiao has been knocked out.

"That fight with Floyd Mayweather Jr is not happening so there's no other fight out there in the world scene that would cause as much interest.

"Fingers crossed next year he doesn't retire and we can both come out there for one big extravaganza – and I can win that heavyweight title."

While he's hoping for the call at his Bromley home, the Hayemaker will remain busy promoting his *Box & Tone* DVD.

He added: "Very few sportsmen are as clued up on losing weight, building muscle and overall fitness as boxers.

"I hope my knowledge in these areas can help men and women beat the post-Christmas bulge."

Haye quit boxing last year after losing on points against Wladimir.

But he came back in July and stopped Dereck Chisora in five rounds following their infamous press conference punch-up last February.

FURY OVER TRASH TWEET

TYSON FURY is facing disciplinary action over a series of tweets trashing rival David Price and promoter Frank Maloney.

The British Boxing Board of Control seems certain to come down heavily on the Manchester heavyweight for his wild rants.

Fury rubbished his rival, tweeting "Price couldn't bash a wk out". He also let rip at Price's promoter Maloney and fans who criticised him.**

On Wednesday, the Board ordered Price to risk his British and Commonwealth title against Fury.

The Scouser *(left)* wants the fight, but his team feel Fury will pull out – like he did last year – before purse bids are opened next month.

SHOCK: Hendriks

Jerry good show from Dutch star Hendriks

DARTS

JERRY HENDRIKS sprung the first upset of the World Championships as he knocked out the No.32 seed Wayne Jones in straight sets on his Alexandra Palace debut.

Jones missed a chance at double top to take the first set, allowing his Dutch opponent to snatch it.

And Hendriks rattled in a superb 156 checkout to claim his place in the last 32.

"I was a little bit edgy as it's my first time on such a big stage like this," Hendriks said afterwards.

"We both had chances but I took mine very well and I'm so happy to have won against such good player like Wayne."

Hendriks could meet 15-times champion Phil Taylor in the second round.

Entertaining

He added: "I would love to play Phil in the World Championships.

"We've already played on TV in the European Championships a couple of months ago and it was a really good game."

Richie Burnett came out on top in an entertaining encounter against James Hubbard.

The 1995 champion dominated the opening exchanges, winning the first six legs to establish a 2-0 lead.

But Hubbard, also on his championship debut, fought back well to win the third and fourth sets.

Burnett let three chances slip in the deciding set but finally hit double 16 to get home 3-2.

Battle

He said: "Things were really comfortable for me early on – probably a bit too comfortable and that's when things started to go wrong.

"I should have got through far more easily but the demons in my head took over and it became a really hard battle.

"My knees were knocking and my head was spinning, but I still believed I would win and I can take something good from this experience having come out of it the right side."

Elsewhere in the first round, Terry Jenkins crushed Steve Brown 3-0, dropping just three legs in a powerful performance, while Northern Irish qualifier Daryl Gurney knocked out Andy "The Pie Man" Smith 3-1.

I'm not too old to dream

THERE'S a fantastic 12-race card at Sittingbourne tonight with two Christmas Cracker Finals worth £1,000 to the winner being the feature events. It is set to be a fantastic night live in betting shops or even better get yourself there.

TOO OLD TODREAM was an expensive purchase and looks to stand every chance of recouping £1,000 of that tonight.

SITTINGBOURNE INSIDE KNOWLEDGE

I caught up with one of the nicest men in greyhound racing John 'Curly' Wilson who is a bookmaker at Sittingbourne and asked him to give us his selections for the two finals:

SEAMUS CAHILL'S OPEN DAY TODAY

Seamus is one of the best trainers in the country. He trained the greatest sprinter of all time in Jimmy Lollie. You can meet both at his fantastic open day, have a drink and there is fantastic raffle to win a pup. My mate Jonathon Hobbs from the Racing Post and Sky Sports will be there from 9.30am at Layhams Road, Keston, Kent, BR2 6AR

GET APPY WITH GBGB – GOLDEN WONDER NO.10

My ten to follow for 2013 to add to the GBGB App starts with Golden Wonder (Premier Fantasy-Final Gold, June 2011). He's not raced yet but will be a major force in all puppy comps at start of the year. Trained by the master Charlie Lister OBE this youngster is destined for greatness. His likely target will be Monmore Puppy Derby in the Spring.

Mueller and Messi have got NOTHING on Godfrey Chitalu

GOALSCORING claims, like fisherman's tales, have always been met with suspicion – especially since it was discovered that the 1,000 Romario claimed to have bagged included ones he scored in training.

This week Lionel Messi *(below)* broke Gerd Mueller's record of most goals scored in a calendar year.

But the truth is he's still at least 20 goals short.

Back in 1972 when the German set his record of 85 goals for club and country, Zambian hot shot Godfrey Chitalu *(right)* was smacking in 107.

Before you dismiss this like an email promising you eight million quid if you just send your bank details, all of goal machine Godfrey's strikes came in first-class domestic or international matches.

In fact, his first nine were chalked off the official records as local press didn't recognise the African Clubs Champions Cup as it was a pre-season competition.

The Zambian FA have commissioned an independent team to investigate and file an official dispute to FIFA, who still refuse to recognise it.

Sadly, if successful the player won't be around to accept his award.

Chitalu was one of the 18 members of the Zambian national squad killed when their plane crashed on the way to a World Cup qualifier in 1993.

BRADFORD-born magician Dynamo *(right)* is claiming some of the credit for his home town club's giant-killing Capital One Cup victory over Arsenal.

He claims he somehow influenced Thomas Vermaelen's crucial penalty miss. Following his claim he was apparently approached by Arsene Wenger to see if he could help restore Gooners fans' increasing sense of disillusionment in their manager.

But he allegedly turned down the request, saying: "I'm a magician, not a f***ing miracle worker."

PEP GUARDIOLA is fed up with being pestered by potential new employers.

Well I've got an idea – put him in touch with Paddy McGuinness and get all the wealthy football club owners together for a special edition of *Take Me Out*.

That way Pep can do all his interviews in one go!

MERV'S FACT HUNT

LAST week I asked: Who has played in the Premier League, Divisions One, Two and Three, the Conference, the Champions League and the UEFA Cup? The answer is Steve Finnan, who played for Welling Utd, Birmingham City, Notts County and Liverpool.

This week's Fact Hunt is: Which ex-Arsenal player has won the UEFA Cup, Champions League, FA Cup and Premier League? Answer next week.

MANCHESTER UNITED'S Rio Ferdinand is still in shock after getting struck above the eye by a 2p coin at Man City.

Being a Premier League footballer he had no idea monetary denominations came any lower than £50 notes.

He was unlucky to have been hit by a yob fan but it could have been a lot worse – apparently a crazed supporter threw a drugs testing kit at the slippery defender but Rio managed to craftily avoid it.

At first there were reports that the coin that hit him was actually a Euro – as City fans have no more use for them this season.

Stiff

It was apparently a 2p and when word got out there were rumours that hard-up Blackburn Rovers players spent hours scouring the pitch to find it.

There were 13 arrests after the match but cops have yet to find the coin thrower.

And police have a stiff task on their hands as there were around 43,000 tossers inside the Etihad at the time of the incident.

It was a pretty bad week for Rio – but it was a hell of a lot worse for Arsene Wenger and his Arsenal side.

Fielding pretty much a first-choice line-up in the Capital One Cup they were humbled by lowly Bradford City.

Reading are struggling at the minute but could nick the points off a wobbly Gunners side at the Madejski tomorrow night.

The action has kicked off at the Ally Pally in the PDC World Championships. As ever, 15-times champ Phil Taylor is the favourite. But I fancy Dutchman Michael van Gerwen to take the title.

Though for a man who likes paying street hookers for oral sex, I'd say he would have much more authority if he was part of a group called Sucked Off.

Grant won't be nominated for any Oscars this year, but fellow Englishman Daniel Day Lewis should be a certainty to get his hands on one.

TOP TOTTY: Vertonghen has backed Spurs boss Villas-Boas to succeed

JAN FANCIES A FOURSOME

Vertonghen confident of Euro spot

JAN VERTONGHEN reckons Tottenham are well on course for a top-four finish.

TOTTENHAM v SWANSEA

Today, 1.30pm – Live on Sky Sports 1

Last weekend's last-gasp defeat at Everton denied Spurs a fifth successive win and allowed David Moyes's side to leap-frog them into fourth spot.

The north London side have suffered from a lack of consistency this season that has threatened to derail their bid to clinch a Champions League spot.

But Vertonghen has no doubt they will hit the target set by Andre Villas-Boas at the start of the campaign. He said: "Yeah, we can do it. We need to do a lot of work but we can get fourth."

Villas-Boas has come in for stick this season, especially when Spurs were struggling to find their feet during the opening weeks.

But Vertonghen has no doubt the Portuguese is the right man for the job. He said: "He loves attacking football and we have the ability to do that.

"I like him as a man. I think he is a very good man and he is good for his players.

"He shows the same ambition. He talks with me. I think he is a good manager."

Spurs will attempt to get back to winning ways against a Swansea side still smarting from last weekend's 4-3 home defeat to Norwich.

That ended the Welsh club's run of six games without defeat but Michael Laudrup's men remain in eighth spot.

Gylfi Sigurdsson spent five months at Swansea on loan last season, and he knows his new club are in for a huge test.

Tottenham's Icelandic midfielder said: "They have added a few new faces and have obviously changed the manager, but they continue to do well.

Philosophy

"It will be strange to play against them, but I'm looking forward to it.

"Everyone knows when you play against them you are going to have to work hard, otherwise you won't see much of the ball.

"It is a philosophy that's been maintained by successive managers over the past few years and now Laudrup is carrying it on this season.

"It works for them and we know it is going to be a difficult game."

WEST BROM v WEST HAM
Today, 4pm – Live on Sky Sports 1

Sam's window of opportunity

SAM ALLARDYCE says the January transfer window will be critical to West Ham's campaign.

The Hammers have been stretched by injuries in recent weeks and the manager is desperate to improve the quality of his squad.

He said: "Any player that's available, that's better than what we have or can go straight into the first-team, we feel would be a good choice for us.

"It's critical for us to maybe get one or two players in that period.

"In terms of what the January window brings, it's not about you bringing this, that or the other, it's about what's available.

"Then you ask if it's going to contribute to your first-team – and if it is, you've got to bring it in and strengthen the squad."

Allardyce is planning to capitalise on West Brom's recent dip in form today.

He added: "Three defeats on the trot may put a bit of doubt in their players and if that's the case then we have to try to exploit it."

Realistic

West Brom midfielder Zoltan Gera believes it's crunch time for the Baggies.

The Hawthorns club had a flying start to the campaign but they've lost three on the spin.

And Gera knows it's make or break time, starting today with the Hammers.

He said: "This next five to seven games will see if we're fighting against relegation or fighting for a good position.

"We understand what it means. It's up to us.

"I think when you start the season well people ask questions about whether you're going for Europe.

"But we need to stay realistic. We just want to be a stable team in the Premier League.

"When we've got that, we want to go higher.

"We didn't say we wanted to play in Europe – we just want to get further and further as we've done over the last two seasons.

"I'm sure the players have confidence about what we've done so far this season."

RALLYING CRY: Jack Wilshere

WILSHERE: GET YOUR FINGERS OUT, ARSE!

Jack's blast for sloppy Gunners

JACK WILSHERE has told his under-performing team-mates to get their Arses in gear.

The Gunners travel to Reading tomorrow as the laughing stock of English football.

They were knocked out of the Capital One Cup by League Two Bradford last week – and no-one is going to let them forget it.

Boss Arsene Wenger fielded a full-strength team that night and saw it flop badly.

Wilshere has called on his team-mates to work as hard as the Royals – otherwise they could be looking at another disaster.

He said: "We have to remember our strengths.

"Technically we're probably the best team out there. We keep the ball well and that's what we have to try to do against Reading.

Fantastic

"We need to try to create chances, outplay them, and also remember our defensive duties.

"As soon as we lose the ball we have to win it back.

"That's where we start from, and then when we create chances we've got to score them."

Arsenal have already won at Reading this season, in the Capital One Cup.

They did it the hard way though, coming back from 4-0 down to win it 7-5 in extra time.

READING v ARSENAL
Tomorrow, 8pm – Sky Sports 1

Wilshere recalled: "I was watching it with my mate and at 4-1 I said, 'Listen, we could do this'.

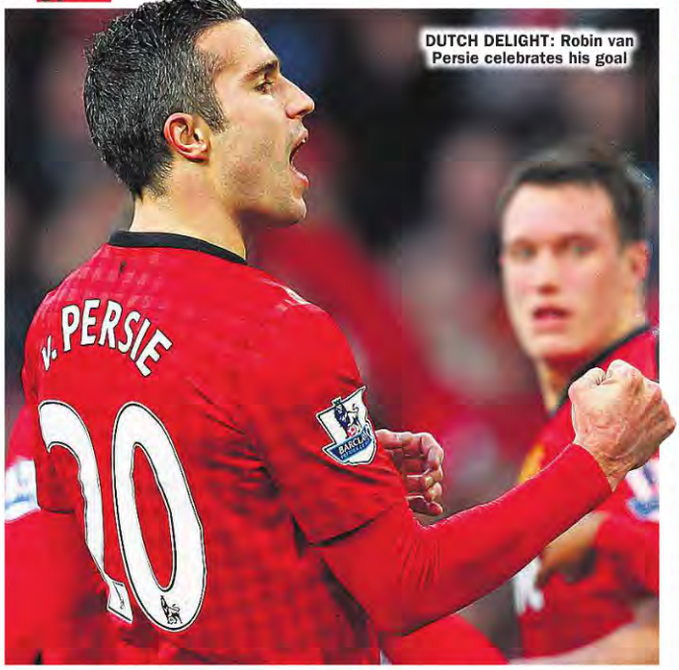
"He laughed at me but I told him, 'You watch, we can win this!'"

Reading could be bottom of the Premier League by the time they kick off if other results go against them.

But manager Brian McDermott was keen to give the supporters some praise.

He said: "Our fans have been fantastic, I can't fault them.

"They have seen loads of success in the last three years and at the moment it is a tough time, but it's great to see they're standing by the team."



DUTCH DELIGHT: Robin van Persie celebrates his goal

GOAL-DEN DUO ARE A CAT ABOVE

RVP & Roo make it 9 in 4 games

MANCHESTER UNITED 3
SUNDERLAND 1

ROBIN VAN PERSIE and Wayne Rooney continued their goals deluge but Manchester United should have had 10 as they retained their six-point lead at the top.

Van Persie eased United ahead after a quarter-of-an-hour before Tom Cleverley doubled their advantage over the Black Cats three minutes later.

And when Rooney touched in at the far post just before the hour, it made it nine goals between United's hotshot duo in their last four Premier League outings.

This was billed as United looking for revenge for losing the title on goal difference at Sunderland in May – when home fans celebrated City's victory.

Rub

But the Reds are more bothered about what is five months ahead, not seven months behind them.

And after a 10th win in 11 league games they are a long way down the road to retaining their title.

There was another boost for Sir Alex Ferguson as he welcomed back skipper Nemanja Vidic for the last 20 minutes after three months out with knee trouble.

But there was a hint of frustration at the end as former Red Devil Fraizer Campbell nodded in to deny United what would have been just a fifth clean sheet in 25 games this term.

The only concern for Fergie will be that, despite bagging three goals, his side had enough clear chances to get into double figures.

They piled forward from the first whistle and Patrice Evra should have put them in front early on.

Steven Fletcher could only clear Rooney's corner to the edge of the box and Evra crashed over the bar.

They did go in front when Ashley Young stayed on his feet under pressure from Carlos Cuellar in the area and clipped over a cross from the left.

John O'Shea could only clear it as far as Van Persie, who chested the ball down before slotting into the net.

The Dutchman then had a header saved by Simon Mignolet.

But United doubled their lead when Cleverley swapped passes with Michael Carrick before burying his shot in the far corner.

Rooney then passed up two great chances, nodding wide and failing to hit the target with a shot from less than six yards.

It was 3-0 when Van Persie skipped between Cuellar and Titus Bramble before crossing for Rooney to finish.

But even Campbell's goal – nodded in from a Stephane Sessegnon cross – couldn't spoil the party.

NGOG DUO SEALS WIN

BOLTON 2
CHARLTON 0

SUPER sub David Ngog came up with a double cracker to hand Dougie Freedman a welcome Christmas present.

Ngog won the match with smart strikes after 74 and 80 minutes to give Bolton's boss only his second win in eight games.

But until those glad tidings this was a great advert for doing the Crimbo shopping.

Chris Powell's lads worked harder than Santa's little helpers to keep Bolton at bay and leave a 15,991 Reebok crowd – the season's lowest – fearing the worst.

Danny Haynes and Lawrie Wilson both fluffed headers for Charlton before Ngog sealed the result.

LIONS WIN IS TAYLOR-MADE

MILLWALL 1
LEICESTER 0

MILLWALL returned to the top six as Chris Taylor's goal gave them victory over promotion rivals Leicester.

The Lions were the better throughout and deserved victory against a poor Foxes side who forced David Forde into only one save of note.

Dany N'Guessan missed a free header in the first half and Chris Wood shot over the bar when he should have scored in the second before the home side finally got their breakthrough.

Andy Keogh played Liam Trotter in down the left wing and he squared the ball for Taylor to tap into an empty net.

ROBINS CAN JEFF OFF!

BRISTOL CITY 0
DERBY 2

JEFF HENDRICK and Craig Bryson grabbed first-half goals to inflict more home misery on hapless City.

The Rams went into the lead on 34 minutes when Michael Jacobs delivered a chip into the box and Hendrick escaped City's centre-backs to volley past Tom Heaton.

Two minutes later the advantage was doubled in similar fashion as Gareth Roberts produced a curling cross from the left and Bryson again got in front of his marker to net with a glancing header.

When City created chances there was no way past Derby keeper Adam Legzdins. The Robins have not won at Ashton Gate since August.

Bostwick's blast is too Posh for the Bluebirds

CARDIFF 1
PETERBOROUGH 2

PETERBOROUGH almost dislodged Cardiff from the top of the league with their first win in 10 games.

It was also the first time Cardiff had dropped points at home this season.

City had the ball in the net inside three minutes. Sadly for the Bluebirds, Heidar Helguson's header was ruled out for offside.

But it was Posh who took the lead when ref David Coote awarded a free-kick against Helguson for high feet.

And Michael Bostwick *(above)* found the net from 25 yards.

If the first half had been poor for Cardiff, the second started in dreadful fashion.

Lee Tomlin picked out Dwight Gayle with a pin-point cross and the 22-year-old striker beat David Marshall.

It was his fourth goal in four game since arriving on loan from Dagenham and Redbridge.

Rudy Gestede bagged a consolation in the last minute.

DOUBLE TROUBLE: Glenn Murray celebrates the first of his two goals, but Papa Bouba Diop *(inset)* snatched a point

BLACKPOOL 2
BLACKBURN 0

BLACKPOOL made it eight games unbeaten after Wes Thomas got the Seasiders' opener after 20 minutes.

Rovers may have started the brighter for new boss Henning Berg but they got no rewards.

The Tangerines took the lead half way through the first half when Nathan Delfouneso floated in a cross for Thomas to glance a header past Jake Kean in the Rovers goal.

And despite Simon Vukcevic's scuffed shot hitting the post just before the break, Rovers rarely threatened the home goal.

Blackpool winger Thomas Ince almost doubled the lead on the hour when his shot was brilliantly saved by Kean, before the game was made safe in the 80th minute when Kirk Broadfoot headed in a Tiago Gomes corner.

TOMMO TONKS TRACTORS

OPENER: Thomas

LOAN star Jerome Thomas once again provided the midas touch for Leeds as they ended Ipswich's winning run and prepared for their midweek grudge match with Chelsea in style.

West Brom winger Thomas has now won all four of the games he has played in for the Whites since joining them last month.

Boss Neil Warnock is desperate to keep Thomas into the New Year and it was easy to see why as his pace and trickery dazzled Town all afternoon.

LEEDS 2
IPSWICH 0

He opened the scoring 19 minutes in when he got the slightest of touches to a Tom Lees' header – baffling keeper Stephen Henderson in the process – and he helped finish things off 21 minutes from time when his cross was slammed in by Paul Green.

Leeds could have had more, with Luciano Becchio skying a free header and having another tipped away by Henderson, while David Norris had an effort cleared off the line by Aaron Cresswell.

Ipswich had plenty of the ball but lacked a cutting edge, with Michael Chopra and Lee Martin guilty of fluffing from close range.

PAPA'S GOT A POINT IN THE BAG

PAPA BOUBA DIOP celebrated the first anniversary since he last scored by netting again.

Diop headed home seven minutes from time to complete an unlikely comeback and deny Palace top spot in the table.

It was his first Birmingham start since joining the club on a monthly contract in October.

Substitute Nikola Zigic gave Birmingham hope when he headed home with his first touch.

Palace had been coasting after top-scorer Glenn Murray took his season's tally to 20.

But Ian Holloway's *(right)* side have now only won one in five.

Wilfried Zaha blasted over after just 45 seconds and Yannick Bolasie tested Jack Butland's reflexes in a strong Palace start.

Bolasie's low cross six minutes before half-time looked easy enough for Curtis Davies or Butland to gobble up but Murray slotted home between them both.

BIRMINGHAM 2
CRYSTAL PALACE 2

And the former Rochdale man struck again after 60 minutes when he turned home Jonathon Parr's cross from close range.

Powered

Birmingham grabbed a lifeline when Zigic headed in Marlon King's cross.

And they were level when Diop powered home his header from Rob Hall's corner.

Palace reeled as the home side piled forward in search of a winner.

It almost arrived in injury time but Peter Lovenkrands was denied by Damien Delaney's block.

Late Boro double leaves Wolves looking a bit Stale

STALE SOLBAKKEN was left fuming after more trouble on Teesside for Wolves.

The Molineux boss had to keep his players from confronting the ref at the final whistle after they were sunk by Marvin Emnes' disputed 88th-minute penalty.

Dutch striker Emnes helped make it three wins from four league games for Tony Mowbray's promotion hopefuls.

Wolves deserved at least a draw,

MIDDLESBROUGH 2
WOLVES 0

but left empty handed to stretch their 61-year winless streak in this part of the North East.

Emnes slotted home his fifth goal of the campaign to keep Boro's top-two tilt on track.

The substitute then turned provider to set up McDonald, who sealed the points with a close-range injury-time finish after Wolves were caught short of numbers by a length-of-the-field counter-attack.

Wolves stopper Carl Ikeme put in a stand-out display to frustrate his old side until it all went wrong at the death.

But it wasn't one-way traffic and keeper Jason Steele was forced into action to prevent Wolves making it three straight wins.

BARNSLEY 0
SHEFF WED 1

WEDNESDAY striker Chris O'Grady's first-half strike was enough to beat local rivals Barnsley and take some pressure off under-fire boss Dave Jones.

The victory against Keith Hill's side wasn't enough to take the Owls out of the bottom three but it ended a run of seven straight defeats.

O'Grady's strike on 35 minutes had the home fans screaming for a free-kick after Gary Madine's challenge on Luke Steele.

Sub Marlon Harewood twice found space in the penalty area but hit one shot straight at Chris Kirkland and the other into the stands as Wednesday held on.

BRIGHTON 0
N FOREST 0

BILLY SHARP came within a whisker of celebrating a perfect week with three points.

The Forest striker played just a day after partner Jade gave birth to their son Leo.

And he almost capped an emotional 24 hours with the winner when he struck the bar.

Will Hoskins wasted the best of Brighton's chances.

But he wasn't alone as Gus Poyet's side once again lacked the killer instinct.

Will Buckley could have won it five minutes from time but he shot straight at Forest keeper Lee Camp.

HULL 2
HUDDERSFIELD 0

ROBERT KOREN'S early goal and David Meyler's late strike kept the Tigers' eyes on promotion.

Slovenian Koren struck in the eighth minute after Stephen Quinn's cut-back and Irishman Meyler sealed the win in stoppage time.

The only black mark for Hull came after the final whistle when Alex Bruce was sent off for a clash with Terriers striker Alan Lee.

The defeat made it six games without a win for Simon Grayson's men, who never really threatened.

Koren, Brady and Jay Simpson should all have added to Hull's early advantage before Meyler completed the job.

BURNLEY 1
WATFORD 1

CHARLIE AUSTIN scored his 22nd goal of the season as Burnley came from behind to earn a point at Turf Moor.

Nathaniel Chalobah put Watford in front in the 12th minute after an early spell of pressure.

Burnley hit back and levelled from the spot 16 minutes later. Dean Marney was clipped by Joel Ekstrand and Austin converted the penalty.

The Clarets could have claimed all three points but for Almunia's acrobatic save from a Sam Vokes header in the dying seconds.

Redknapp's mad for Ad as Moroccan seals victory

QPR 2 **FULHAM 1**

ADEL TAARABT was the hero as QPR finally got their first win of the season – at the 17th attempt.

Taarabt struck twice in the second half to clinch a deserved victory over west London rivals Fulham.

The long-awaited three points brought massive relief to Loftus Road – and Harry Redknapp's men had the Moroccan magician to thank.

His first goal was aided by a deflection, but his second was all his own making.

Fulham sub Mladen Petric struck late on but it was scant consolation as QPR held out.

FIRST WIN: Redknapp

Before kick-off 'Arry had three straight draws to his name – and he knew he had to find that winning formula.

Before Taarabt took over, he must have been wondering how his side had failed to convert any of the chances they created before the break.

Djibril Cisse should have gobbled up an early chance after Taarabt's clever pass freed him, but he took too long and Mark Schwarzer palmed out his tame effort.

Barely five minutes had been played when Jamie Mackie had a second golden chance.

Dominance

John Arne Riise's woeful backpass was collected by Mackie but the Scottish striker somehow curled his shot wide.

Even that miss didn't put the brakes on the home side's early dominance.

Taarabt saw his shot fly just wide after a mazy run in the 18th minute.

And Cisse once again forced Fulham keeper Schwarzer into a save moments later.

But, for all QPR's dominance, the rub of the green appeared to be against them.

However, that changed as a big slice of fortune contributed to Taarabt's 52nd-minute opener.

The playmaker was given way too much room to collect a loose ball and his 25-yard shot took a wicked deflection off Brede Hangeland and wrong-footed poor Schwarzer.

Cisse came within inches of doubling the lead but he saw his 20-yard shot fly inches wide of the far post.

And it was no real surprise when Taarabt popped up to bag No.2 in the 68th minute and set the hosts on their way to that long-awaited win.

He danced around Hangeland before his toe-poke was enough to beat Schwarzer.

Fulham never looked like responding to set up a grandstand finish until Petric struck with three minutes left, but Rangers deserved their victory.

NORWICH 2

WES HOOLAHAN and Anthony Pilkington were the Canaries heroes as they combined twice to down Wigan.

Each set up the other as Norwich moved up to seventh and left the Latics in the drop zone.

Sub Shaun Maloney's equaliser was as good as it got for Roberto Martinez's side.

Pilkington fired Norwich ahead in the 15th minute with a cracking shot from the left of the box that Wigan keeper Ali Al-Habsi couldn't keep out.

Hoolahan was the man who made it, with the Irishman having signed a new contract before kick-off.

Emmerson Boyce reckoned he had stopped Hoolahan in his tracks as he looked to jink through, but the midfielder slid in to win the ball back and quickly put Pilkington in.

Bradley Johnson was booked for fouling and then falling on Wigan midfielder James McCarthy, who needed lengthy treatment.

Pounce

Canaries keeper Mark Bunn then parried James McArthur's drive and grabbed the rebound before Mauro Boselli could pounce.

Pilkington was next to be booked – for diving when it looked like Adrian Lopez had taken him out.

He almost gained instant revenge when Al-Habsi dropped a cross at his feet but he could only stab across goal.

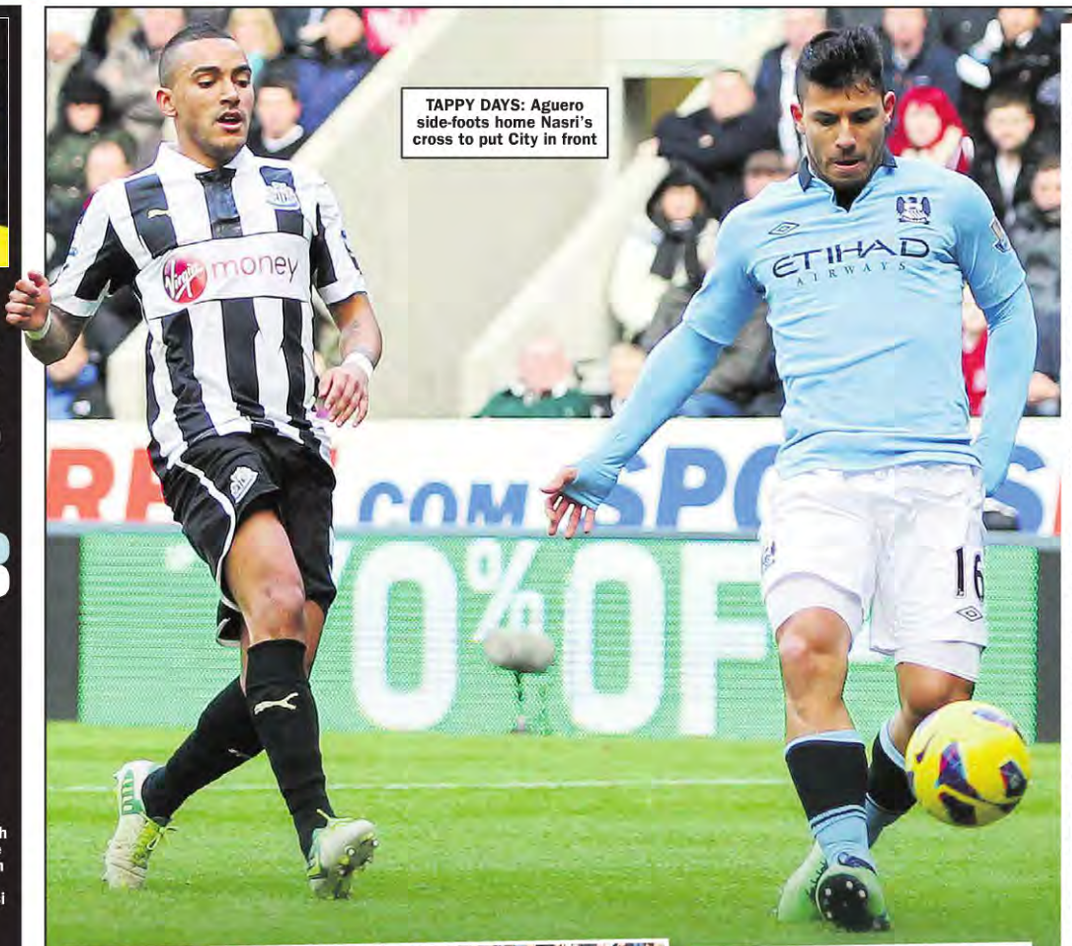
Norwich were all over Wigan and Al-Habsi pulled off a wonder save to keep out Robert Snodgrass' header.

Wigan made two changes at the break but Al-Habsi was soon needed to deny Grant Holt.

But the Latics stunned Norwich when Maloney, one of the two subs, smashed home an equaliser after Arouna Kone had teed him up.

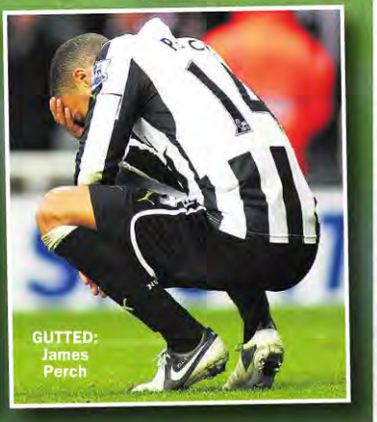
Norwich needed a response and Pilkington and Hoolahan were the men who found it.

Pilkington crossed from the left for his team-mate to nod home the winner as Wigan stood still.



TAPPY DAYS: Aguero side-foots home Nasri's cross to put City in front

JAV-A-GO HERO: Garcia heads in City's second



GUTTED: James Perch

By JOHN WARDLE

ROBERTO MANCINI bounced back from his derby despair as City plunged the Toon into relegation trouble.

Talk of rifts and rows inside the Blues dressing room looked ridiculous during a first-half when Newcastle were ripped to pieces.

City scored twice through Sergio Aguero and Javier Garcia – and should have added at least four more during one of their best 45 minutes of the season.

Their failure to take all their chances meant United were still in the game at the break.

And they cashed in by hitting back through Demba Ba early in the second half.

Outburst

But Newcastle could not locate a leveller and have now lost six of their last seven Premier League games and are in trouble near the foot of the table.

City ended their revival when Yaya Toure scored 12 minutes from the end of a game where there was much to please manager Mancini – starting with Joe Hart.

The keeper was one of the main targets of his manager's outburst after the derby defeat but he responded magnificently.

Less than two minutes in the England international produced a superb save to prevent Newcastle taking the lead.

Papiss Cisse swept in a cross from 12 yards and it was spearing into the bottom corner until Hart went full length to turn it away.

Barking

It was the start of an impressive spell by the Magpies as they pinned City back in their own half and twice forced Hart to punch clear from under the bar.

A furious Mancini was on the touchline, barking out fresh instruction to his midfield and back four.

But moments later he was a far happier man as City scored a goal created by a superb through-ball from Yaya Toure.

The giant midfielder sent Samir Nasri clear and he unselfishly crossed the ball to leave Aguero with a simple tap-in to put City in front.

Villa hitman makes Kop boss

LIVERPOOL 1
ASTON VILLA 3

LIVERPOOL took barely 24 hours to make boss Brendan Rodgers look stupid as they fell to a shock defeat inspired by two-goal Christian Benteke.

On Friday, Rodgers spoke of how his improving team should be aiming as high as second in the Premier League table.

One day later that prediction looked about as good as the record company executive who once told the Beatles they would never amount to anything.

The opener from Belgian Benteke (*left*) came against the run of play and stunned Anfield. There looked to be little danger on 29 minutes when Brett Holman picked out the striker.

But for some reason there was no immediate effort by the Liverpool defence to close down the Villa danger man and Benteke guided a shot past the dive of Pepe Reina and into the bottom corner of the net.

After surviving a decent opening from a Liverpool side looking for three straight wins for the first time in 18 months, Villa grew in confidence.

Austrian striker Andreas Weimann pounced on a slip by Glen Johnson and chipped over Reina, only to see his effort land on the roof of the net.

Weimann and Holman then linked up well before Martin Skrtel made a vital interception with the pair attempting to find Benteke in the box.

Five minutes before the break, however, Villa scored a superb second.

A flowing counter-attack was started in midfield by Barry Bannon.

As Villa poured forward, Benteke and Weimann exchanged passes before the Belgian found the Austrian again with the cheekiest of back-heels.

Weimann was unmarked 12 yards out and drilled a

keeper Tim Krul stretched out a leg to divert his close-range effort, before a cross from Nasri was narrowly missed by two players in the six-yard box.

It was already looking ominous for Newcastle, who were fortunate to survive again in the 20th minute when Nasri hit a post and Mike Williamson did well to block the follow-up shot from Aguero.

Williamson almost made City pay for their failure to turn superiority into goals with a volley that was saved by Hart in a rare Newcastle attack.

But after a Tevez shot was diverted narrowly wide, City finally gave themselves a two-goal cushion in the 39th minute from the corner.

Garcia rose well to meet David Silva's corner, but Davide Santon's pitiful attempt to clear the ball at the far post summed up Newcastle's first-half show.

By this stage Nasri had been forced out of the game with a groin strain, but City must have been convinced they were equipped to cope without the player who had been the main source of their first-half threat.

That confidence was soon eroded, though, as Newcastle started the second half on the front foot and pulled a goal back in the 51st minute.

Ba – who had fired a shot wide soon after the restart – was the scorer, heading in after Fabricio Coloccini hooked the ball back into the penalty area.

Champions City were suddenly rocking and Cisse was close to an equaliser with a 53rd-minute shot that narrowly cleared the bar.

Ba was the major factor in Newcastle's revival, though, and he fired one shot into the side netting and another too close to Hart.

It was a worrying time for Mancini, but City ended Toon's revival in the 78th minute when Yaya Toure turned in a cross from Pablo Zabaleta to underline that there is a long way to go in this title race.

powerful shot past Reina. There had been no sign of this disaster coming for Liverpool as they bossed the first 30 minutes.

The opening goal knocked the Reds out of their stride, although Luis Suarez did manage a shot into the side-netting.

If Rodgers hoped that Joe Cole might have an impact on the game as a half-time sub he was right – although not in the way he wanted.

The former England midfielder was caught in possession just inside his own half by Holman and his nudge sent Benteke racing towards goal.

Skrtel backed off the speedy goal-getter and allowed him to advance before he ended a superb solo goal by ramming the ball past Reina.

It was threatening to turn into the biggest embarrassment of Rodgers' reign.

Bannan broke away on yet another counter-attack before Reina pulled off a decent save.

Liverpool battled on, with Brad Guzan mishandling a Suarez cross and Cole shooting just wide.

But Villa went close to adding to their haul, with Benteke and Bannan setting up Weimann who put a header inches wide.

Three minutes from time, Steven Gerrard claimed a consolation goal when he stooped to head Johnson's goal-bound shot past the dive of Guzan.

To cap an eventful day for Benteke, he was booked for retaliation after being fouled by Johnson.

KENWYNE JONES broke his Premier League scoring duck to rescue a point for Stoke against draw kings Everton.

Ryan Shawcross' own goal had given the Toffees a first-half lead at the Britannia.

But the Potters responded in typically spirited fashion to claim a deserved point with Jones' first league goal in 28 attempts, dating back to August 2011.

It was an eighth draw in 11 top-flight matches for David Moyes' men and they will lose their grip on fourth if Tottenham or West Brom win today.

Shawcross had a nightmare moment nine minutes before the break when he connected with a Steven Pienaar cross and the ball looped above Asmir Begovic.

The Toffees should have doubled their advantage almost immediately.

Leighton Baines dissected the Potters rearguard with a clever cutback to Leon Osman, unmarked eight yards out, but he slid the ball the wrong side of the post. It proved a pivotal moment.

Headbutt

By the 52nd minute, Stoke had their goal as Jones' header crept into the bottom corner from Shawcross' floated delivery.

The Potters were almost celebrating again when Jones muscled his way past Tim Howard, but the ball ricocheted off the striker and against the post.

Shawcross was left stricken when he looked to be caught inside the box by a headbutt from Marouane Fellaini.

The Everton player escaped, but a call from the FA tomorrow could be on the cards.

Stoke almost won it with 10 minutes left when Howard blocked Cameron Jerome's low strike.

From the rebound, Sylvain Distin managed to stretch to head away Peter Crouch's lob.

Yet neither side could depart from what was a breathless game with any complaints over the outcome.

The Serbian was warming up on the touchline when he became involved in an angry exchange with a supporter carrying a flag of Albania – long-standing rivals of the Serbs.

Police have confirmed they are investigating an allegation of racist abuse after a complaint was lodged.

A spokesman said: "Northumbria Police has received a report of racist language at St James' Park during the Newcastle United v Manchester City match. We take such allegations extremely seriously and enquiries are ongoing."

Neither club would comment on the matter, although it is understood Kolarov will be spoken to by police this week.
